Lunch Break Provides Relaxed Atmosphere

For Apaches

SET AGAINST THE magnificent northerly background of the San Gabriel mountains, Arcadia's modernistic campus is designed to furnish atmosphere and beauty for its students as well as maximum classroom space.

Framed gracefully by shrubbery, the west walls of the east corridors are decorated with tile tableaux of Indian design which carries out the Apache theme.

Providing lunch facilities and meeting places for clubs both before and after school the lunch pavilion is gaily painted in the school colors of yellow and red.

Rich red brick exteriors and handsome teal doors enhance the contemporary facade of the campus library.

Donated by the graduating class of 1968, the high school's red and gold electric "A" lights up when the Arcadia teams are victorious. It pictures the pride, enthusiasm, and spirit which all Arcadians share.

Governing Board, Executives Provide District Standards

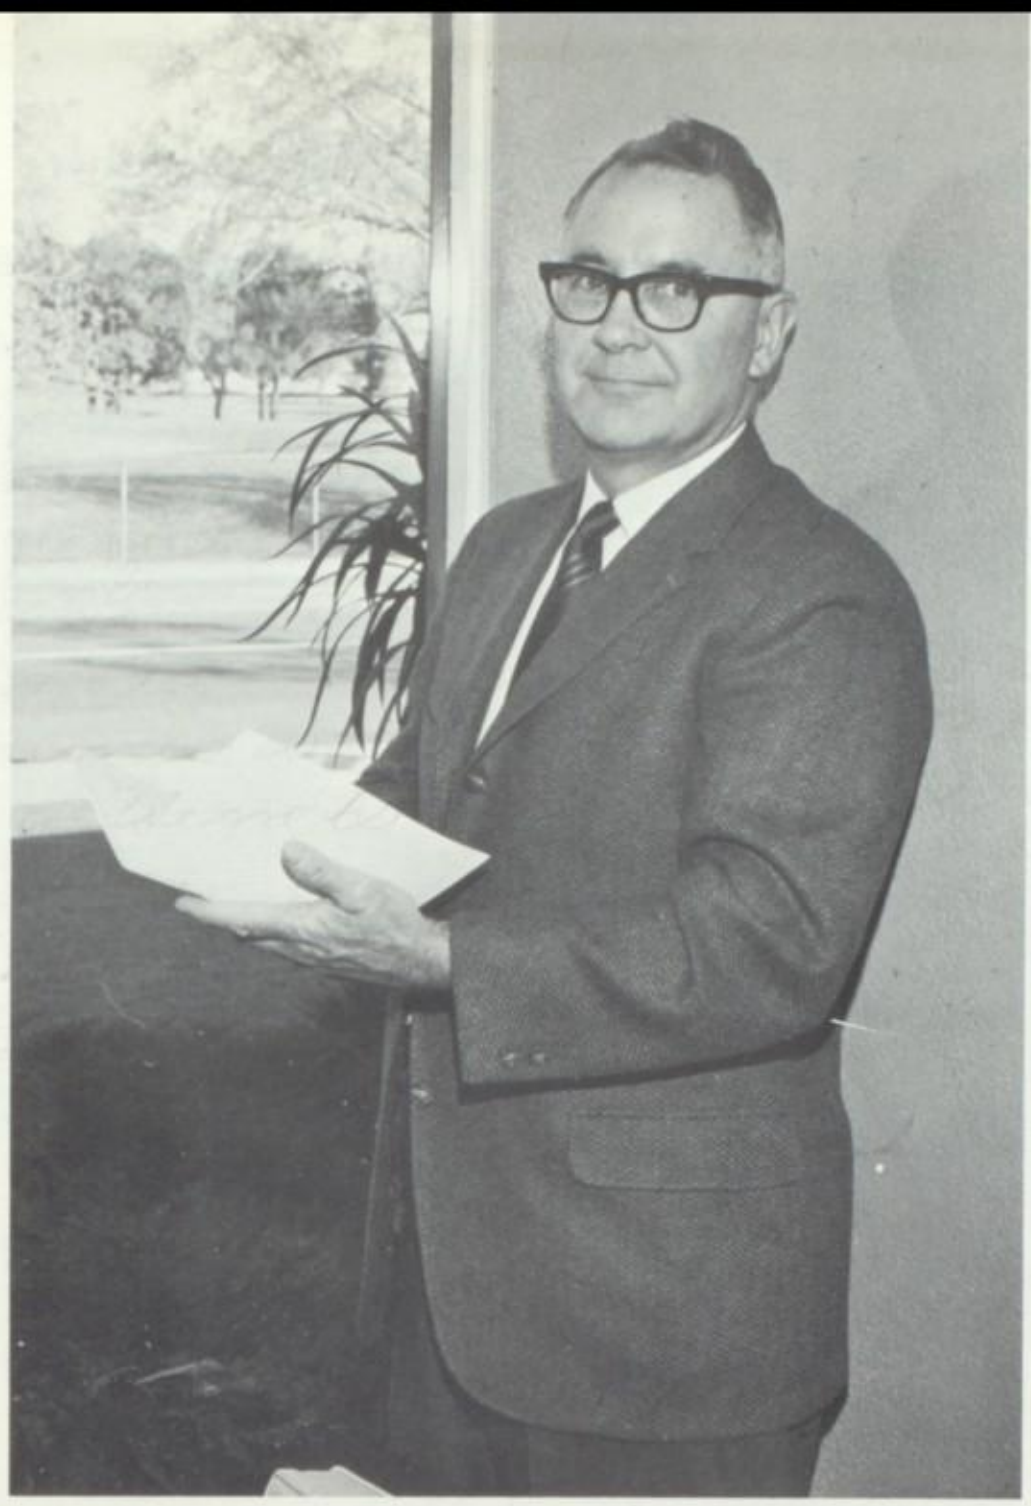
The Board of Supervisors which include, Gary L. Mills, George R. Frempter, Dexter D. Jones (President), Dr. Edward Ryan (Superintendent), William O. Merritt, and A. W. Nisson, meets the second and fourth Monday of each month to discuss educational improvements.

Dr. Edward Ryan, chief executive of the administration staff, pauses in front of the district office before entering.

ELECTED by the people of Arcadia, the Board of Supervisors are the state officials responsible for approving curriculum and the planning of new buildings for the entire school district.

Head of the organization, the Superintendent Dr. Edward Ryan directs physical change and academic curriculum of the schools as well as serving as the chief executive of the administration staff. He also serves as secretary of the Board of Education.

Others directly responsible to the board are Associate Superintendent, Elbert E. Souders who is involved with secondary education. Similarly, Assistant Superintendent, Owen T. Van Buskirk, is in charge of the elementary agenda. The wheeling responsibility of the transportation system and construction of buildings belongs to Assistant Superintendent, William Pickford. Director of Instructional Services, Dr. Sarkis Takesian coordinates and directs curriculum planning for the district. Supervision of the employment of teachers and coordination of personnel services is directed by Donald D. Hughes, Personnel Director, who also supervises the recruitment of teachers.



Personnel Director Donald D. Hughes coordinates personnel services.

Elbert Souders performs as Associate Superintendent.

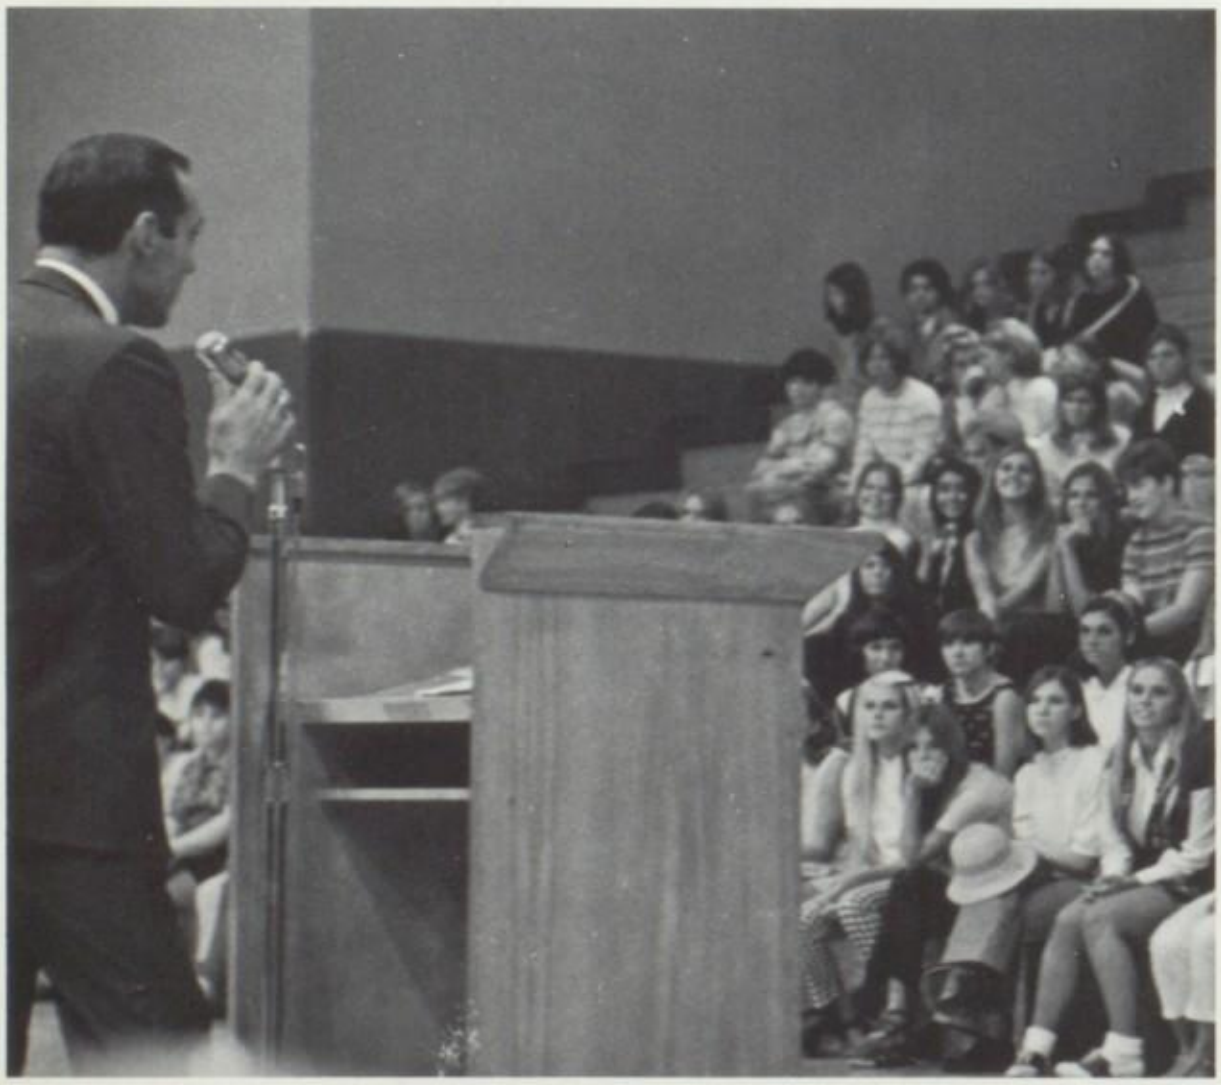
Assistant Superintendent of Instruction is Owen Van Buskirk.

Assistant Superintendent of Business Services is William Pickford.

Principal Serves As Representative Of Administration, Faculty

Richard Cordano reviews his daily pile of mail.

Principal Richard Cordano is looked up to and respected by the entire student body.



Addressing candidates for the Rose Parade Queen, Mr. Cordano speaks of the requirements.

THIS HAS BEEN a year of "go" for Arcadia High School. Innovations in curricular content and new techniques of communications between faculty, students, parents, and community have been the touchstones for the year. 1968-69 saw great strides in the use of independent study, and exciting pilot study in the audio-tutorial method of teaching chemistry, wide spread usage of instructional television, initiation of advanced placement classes, and a new era in the dimension of individualized study. This year was accreditation time for AHS, and again we received the highest ratings possible. The evaluation of the entire school brought forth many valuable recommendations that will help us continue toward our objective of the best education possible.

All Apaches are to be commended for enthusiasm that continues to make Arcadia High School the best one ever.

PROVIDING STUDENTS with assistance in choosing required subjects for graduation and college entrance and consulting for future vocational opportunities are the responsibilities of the counseling staff.

In addition, the counselors are prepared to give guidance to students with personal problems. Another facet of the job is to help the students interpret their college entrance test scores. Students wishing to apply for jobs are given assistance in finding positions suited to their abilities.

Opportunities for various scholarships are brought to the attention of qualified students by counselors who assist them in preparing the necessary papers to be submitted.

Each student is assigned to a counselor alphabetically. This enables students to have the same advisor during their three year stay in high school.

STRESSING the fundamental skills of speaking, reading, and literature, the three year required English program also insures a continuing practice in spelling, grammar, and punctuation.

Graduation requires three years of satisfactorily completed English. Classes include basic communicative skills as well as a study of American and English literature.

Techniques in composition are attained and practiced through writing research papers, book reports, essays, book critiques, and topic paragraphs. A unit of informal speech is introduced at all levels to provide each student with the knowledge and practice in formal speaking.

Literature is introduced to sophomores with works such as James Hilton's "Lost Horizon" and "A Tale of Two Cities" by Charles Dickens.

Books such as "The Red Badge of Courage" by Stephen Crane and the "Scarlet Letter" by Nathaniel Hawthorne are offered to Juniors as they concentrate on American Literature.

Seniors are offered diversified reading with the classics such as Plato's "The Republic" and Shakespeare's "Hamlet".

Students with remedial reading are scheduled into a supplementary clinic which aids in improving reading skills.

The new thematic approach to literature introduced by state will bring about an increased study of additional novels, plays, short stories, and other forms of literature.

Communicative Skills Require Much Emphasis

IN ADDITION to the basic English curriculum, special courses are offered in drama, journalism, and speech.

The Junior Jesters display their talents before the student body by featuring series of one-act plays during the year. This course concentrates on techniques of stage craft and characterization.

The more advanced students, Senior Jesters concentrate on longer plays requiring additional training and skill.

Students scheduled in the journalism department find a practical application for grammatical and literary skills. Compiled and edited by students on the annual staff, the Arcadian contains pages devoted to activities and curricular offerings. Students on the newspaper staff gather school news and activities themselves and prepare the bi-monthly edition of the Apache Pow Wow for publication.

The Forensics League helps students who begin their speech training in junior high school to develop their oratorical skills in preparation for tournament competition.

Speech Training is achieved through participation in standard debate as well as extemporaneous oratory, original oratory, impromptu speaking and dramatic interpretation.

ADVANCED PLACEMENT is offered this year for the first time to senior students who are prepared to take this college course. This course is one step above accelerated English. Students are selected from previous records of outstanding ability and performance. The main course of study includes advanced Literature through critical writings and analysis. By passing this course, students may receive up to ten units credit at many universities and colleges throughout the country.

Changing Methods Encourage Foreign Language Study

IN ORDER TO ACQUAINT students with the tongues and cultures of other countries, several foreign languages are offered. The classes prepare students for college entrance and trains them sufficiently so that they may pursue these fields of study at the college level.

French and Spanish are made available first at the junior high level. Starting in seventh and eighth grade, a language is required, but in ninth through twelfth it is an elective course. German and Latin are only offered in the tenth, eleventh and twelfth grades.

The principal aim of the three year Latin course is to assist the student in reading the great works of classical literature: Caesar, Cicero, and Virgil. In the first year students start with declensions, vocabulary, and conjugations and then progress to more difficult constructions and the reading of Caesar in the second year and finally the study of Cicero and Virgil.

Audio-lingual method (ALM) is used in both German and Spanish classes. The system includes the use of tapes, records and text materials so that students may learn to speak the language as well as write it.

The four language skills that stress the spoken language most are in the following order: comprehension, speaking, reading, and writing.

Advanced classes focus largely on the literatures and histories of German and Spanish speaking countries. Third and fourth year classes are almost entirely conducted in the foreign langage.

In the French program an all-French approach, which combines effectively the audio-lingual and the traditional, is used. Basic skills are simultaneously developed in comprehending, speaking, writing and reading, through the use of tapes, filmstrips, pictures, drills and the basic textbook, written exclusively in French. Culture is studied from the beginning; the life and customs of France are emphasized in the third and fourth years with specialized study of French history and literature.

TEAM TEACHING is offered to Sophomore World History as well as to Junior United States History. The program makes use of four adjoining classrooms in the library building. Rooms are converted into a large lecture hall for large group activities and into individual classrooms for small group discussions.

Individual work with teachers as well as independent study are included in the course and is headquartered in the base room. Discussions are supplemented by readings and lectures given by members of the team.

Junior U. S. History is a required study of the developement of the American nation and its ever changing culture.

The sophomore course in World History is the study of man and society from ancient to modern times. It provides students with basic understanding of politics, government sociology, economics and geography of the world.

In order to provide a more rounded program of senior social sciences, a new plan is being executed this year. Each student is required to take a semester of Civics and then is allowed to choose a related elective from a new program sheet. These include economics, marriage in the family, philosophy and international relations.

Semester Civics Course as Well as Elective Studies

Wheels of recorded history roll in the team teaching rooms which are opened so that students in three classes can view a World History film.

OFFERED as a year elective to Seniors, Psychology is designed for the student who desires to become acquainted with the many ways of evaluating human behavior.

Included in the year's course are an investigation of sociological processes such as group behavior, and analysis of other social inter-relationships.

Other electives in the area of Social Science are Civil War History which includes a more extensive study of the Junior year and California History from past to present.

PREPARATIONS for careers, college and marriage is offered through specialized Home Economics courses.

Foods I stresses planning and preparation of foods as well as methods of hospitality.

Style, line, fabrics, and construction techniques are stressed in Clothing I, and both dressmaking and custom tailoring can be learned in Advanced Clothing.

Senior Home Economics emphasizes preparation for marriage, includes meal preparation and interior decorating.

The Special Education Department includes classes for students educationally handicapped because of neurological problems as well as courses for those who need supplementary instruction.

The program is the same throughout the district through equal cooperation. Arcadia is the instructional center for the partially sighted students. Other San Gabriel Valley Schools which participate, educate the totally blind, cerebral palsied and deaf students.

A wide range of courses in Business Education provide students with an insight into various career practices.

Business Economics, Business Law, and Office Practice are designed to acquaint students with actual problems encountered in the business world.

Business Economics is arranged for those who might own or manage a business. In Office Practice, students work for the school and obtain valuable experience at the same time.

INDUSTRIAL ARTS includes electronics, engineer drawing, handicrafts, stage crafts, metal working, and automotives. Every year new facilities are added to modernize the program, so students learn to work with the latest equipment.

Electronics explores the fields of radio, sound, transistors and television. All prospective electrical engineers should enroll in this excellent course.

Those interested in engineering will find the technical drawing, engineer drawing, and architectural drawing courses essential for future study.

All artistically skilled students will want to work with the excellent machinery in the metal work shops.

There they learn welding, sheet metal work, foundry, forging, and wrought iron.

In the advanced woodworking course students build a major project, such as a desk or an end table.

Wood, leather, plastics, and metal are a few of the materials students learn to use in the handicrafts course.

Those enrolled in the stage crafts course design, construct, and work on all show productions.

The auto shop is equipped with the latest equipment for automobile maintenance and repair.

Since most boys are interested in cars, they are allowed to bring their cars to school twice a week and work on them.

Occupying 13,105 square feet in the northwest area of the campus is the library. With table seating for more than 100, the library provides a spacious, quiet room for students using the facilities.

Well-stocked with countless fiction and non-fiction books, as well as reference materials, the library is an excellent resource center.

Application of the elements of design are introduced to students in Arts I, II, and III.

Commercial Art offers various experiences in lettering and cartooning fields.

Jewelry making and handicrafts give pupils a chance to work with wood, leather and jewelry.

Art Crafts courses attempt to give those students without previous art background an opportunity to experiment in the three dimensional areas of fine art.

INITIATING an interesting and varied program, the Physical Education department offers a well-rounded curriculum for all students.

The basic objectives of sportmanship, cooperation, knowledge of rules and the improvement of fundamental coordination skills are an integral part of the program and are achieved through a medium of motor activities.

Boys activities such as football, soccer, basketball, tennis, softball, volleyball, track and field, wrestling, swimming, gymnastics, and weight training are rotated continuously throughout the year as weather permits.

The instructional program for all girls includes team activities in softball, basketball, volleyball, and speed-away. Individual sports such as archery, golf, tennis, swimming and tumbling are also offered.

As a member of the Pacific League of the California Inter-Scholastic Federation, Southern Section, Arcadia boys participate in a series of competitive sports with teams from other cities in the area.

A specialized program of competitive sports is offered to girls as well. It helps her further her basic skills and enjoyment of sports while playing with teams from other schools.

High standards of conduct, leadership and sportsmanship are striven for through the physical education program.

Efficient Secretaries Coordinate Numerous

Assistant Principal Richard Carroll's new secretary Nancy Umbedacht searches for a record in the Pupil Personnel files with her office monitor.

Cheerfully, Mrs. Patricia Kay, Arcadia's receptionist, takes a phone call for Mr. Cordano.

Mrs. Jeannette Tisdale confirms over the telephone with Principal Richard Cordano an appointment for the afternoon.

EXECUTING the essential duties of running the main office, the secretarial staff serves administrators, faculty, students and visitors.

The front office staff consists of Mrs. Patricia Kay, receptionist; Mrs. Jeannette Tisdale, Principal Richard Cordano's secretary; Mrs. Nina Draughnon, Assistant Principal James Smalldon's secretary and Mrs. Nancy Umbedacht, Assistant Principal Richard Carroll's secretary. Mrs. Maria Schmidt serves as secretary of the counseling office while Mrs. Marilyn Nickloff and Mrs. Helen Rowe operate as attendance secretaries.

Office aides coordinate the myriads of business details which keep the school plant running smoothly. Tasks such as contacting teachers, arranging for homework assignments for students who are ill, preparing purchase and work order requisitions, and coordinating extracurricular activities are functions performed by our secretarial staff.

Functions Of Administrative And Teaching Personnel

Nina Draughnon serves Assistant Principal Mr. Smalldon.

Attendance Secretary, Marlyn Nickloff looks for messages for Mrs. Draughnon.

Greeting a student is attendance secretary, Mrs. Helen Roe.

Checking names for Mr. Gister is Activity Secretary, Mrs. Adeline Johnson.

Essential Tasks Executed Correctly By Helpful

Records Secretary, Mrs. Helen Reimers files a student's transcript.

Cyndi Barton seeks aid from nurse, Mrs. Barbara Treher.

Carefully, Mrs. Lily Sloan, textbook clerk checks book for names.

Okaying a grade change is Mrs. Louise Balaban, IBM secretary.

Office Personnel

HANDLING different aspects of school business, the employed personnel work to provide students with necessary help.

Keeping school enrollment figures current, sending grade cards and working generally in the IBM room are the main duties of Mrs. Louise Balaban, IBM secretary and Mrs. Helen Reimers, records secretary.

The Student Store serves the entire school. It carries a variety of school supplies, from loose leaf binders to dance guest cards. The store's average income ranges about $4,000. Money received from the store goes to the Student Body Fund.

When a student feels sick or needs medical attention, he can go to Mrs. Treher, the school nurse.

Other departments which add to the school and keep it running smoothly are the textbook room, under the direction of Mrs. Sloan, and audio visual which is supervised by Marilyn Chew.

Assisting students in purchasing school supplies during snack, Mrs. Eileen Smith listens attentively to Stephanie Mischuck's specific needs for her next class.

Student Richard Viselli completes sale of a new student body card.

Marilyn Chew instructs Tom Secor in projector mechanics.

Teacher Observation Office Monitors Offer Helpful Assistance

As part of office practice, Michelle Archibald works ditto machine while Susan Cunningham counts finished papers.

Assisting a 1st grade student to read, Melody Blum lends a helping hand in Mrs. Slemmon's class at Santa Anita school as part of teacher's observation course.

Janice Rowe and Cheryl Meyer file student cards.

Necessary Services Maintained By Cafeteria, Bus Drivers

Bus drivers, serving the entire school district, work to provide safe transportation for students traveling to and from school.

The cafeteria provides good food as well as a nice eating place.

Preparing a nutritious meal for lunch is Mrs. Greco.

Efficient Custodial Staff Services 44 Acre School

Head Custodian Cliff Nylander reviews daily work assignments for the janitorial crew and plans for new painting projects.

SERVING as head custodian for his second year Cliff Nylander directs the custodial staff in its many necessary and important duties.

Responsible for the general upkeep of the school, custodians work hard to maintain the grounds in good order Included in their duties is removing the debris from the campus, and keeping the various facilities in running condition. Keeping the eating area clean after snack and all three lunches is one of their main duties.

In addition, they perform many services for departments by delivering supplies and doing special class arrangements to meet varying instructional needs.

Picking up debris from the rally court is Harlan Mault.

John Crumb removes trash from lunch area.

P. T. A. Serves As Liason Between School And Community

FOR THE first time, the P.T.A. has taken over the job employment center which is located in the Administration building here at the high school. The main objective is to find jobs for students who are interested in working, but unable to find suitable jobs. They work with local merchants and city residents encouraging them to engage student help. The office is open from two to four and offers many jobs including yard work, babysitting, housecleaning and other odd jobs.

In addition to this, the P.T.A. also runs the concession booths at all home football games. Serving hot dogs, soft drinks, candy, coffee, and apples at this activity has proven to be their major money raising project each year.

On the fourth Thursday of each month, regular meetings are held which help the Parent-Teacher Associaton to become better acquainted with parents, further the school-to-parent liaison and to improve student welfare.

P.T.A. member Mrs. Barbara Wyman helps student Pat Blue to find employment while Mrs. Dolores Callahan affirms a previously made job appointment with a local merchant.

P.T.A. board members include Mrs. Bonnie Fredrickson, Mrs. Wayne Shaw (President), Mrs. Marion Pickens and Mrs. Dolores Callahan.

Executive Council 1968-'69

STRIVING TO MAKE THE 1968-69 school year more enjoyable for the student body and also to improve the conditions for future Arcadia students were the goals of Executive Council, the executive branch of student government at the high school.

To better communications among students, faculty, administration, and general community, Council formulated such committees as the Internal Affairs Board which had representative students, teachers, and administrators who met to discuss mutual problems as well as others they may have been having.

On the basis of application, students were selected to serve on an External Affairs Committee, the purpose of which was to inform the adult community of events at the high school.

Council also sponsored several open forums which provided a rewarding exchange of ideas. Here students were allowed to express grievances while administrators listened and gave answers and reasons to interested students.

These improvements in communication were one of the most important contributions of this year's Executive Council.

EACH GIRL on campus is an automatic member of the Girls League Organization. Since this makes it the largest single club body on campus, they are able to run many worthwhile activities.

Annually sponsored activities which were again carried out this year included, Friendliest Girl elections for each season, the sale of yellow and red chrysanthemums for Homecoming, and the Christmas Candy Cane Sale. As a civic project, volunteers were placed throughout the community to collect money for the White Cane Drive.

Also as in other years, the Christmas Tea for mothers and daughters, the Alumni Tea, and the Father-Daughter Banquet later in the spring were important all school events.

To promote school spirit, Hi Week and Friendly Week were held on campus. This involved distributing of Smile and Be Friendly Buttons to all students as well as gay, bright colored posters which were hung in all classrooms.

Janet Smith, Campus Beautiful Chairman; Debbie Hinshaw, Corresponding Secretary; and Martha Benson, Program Chairman spend time relaxing as they discuss Girls League activities.

HONORING senior girls of outstanding citizenship, scholarship, and leadership, Kiowas serves the school and community throughout the year. Application for membership in Kiowas is considered in the spring of the junior year.

Activities included the annual Christmas Alumni Tea, held Dec. 22, wrapping candy for the Recreation Department, and making scrap books for the City of Hope.

Chosen in the spring of their junior year on a competitive basis, twenty-seven seniors comprise the Senior Men's Club. Boys of outstanding academic ability, superior citizenship, and good character are encouraged to apply.

In conjunction with Kiowas, Senior Men sponsored a car wash in September. They ushered at sophomore orientation, all home football games, and Back to School night.

PERFORMING for civic groups and school assemblies, A Cappella Choir maintains the distinction of being the largest singing group on campus. Members gain experience from public appearances, and acquire a repertoire of vocal music.

Their major performance was the Christmas Concert at the San Gabriel Civic Auditorium in December.

Nineteen students of superior vocal ability are chosen for membership in Chanteurs each spring through competitive solo try-outs. Chanteurs performed several popular songs at the all school assembly, as well as entertaining various groups in the community.

ORCHESIS DANCE CLUB is open to girls who display exceptional skill in the field of modern dance. Following brief introductory classes in modern dance, all sophomore and junior girls may try out for club membership the next year.

The club meets regularly during the third period physical education class. In these daily sessions the girls are taught improved dancing techniques as they compose and rehearse numbers for presentation in the main show and in such minor appearances as the Girl's League Mother-Daughter Banquet.

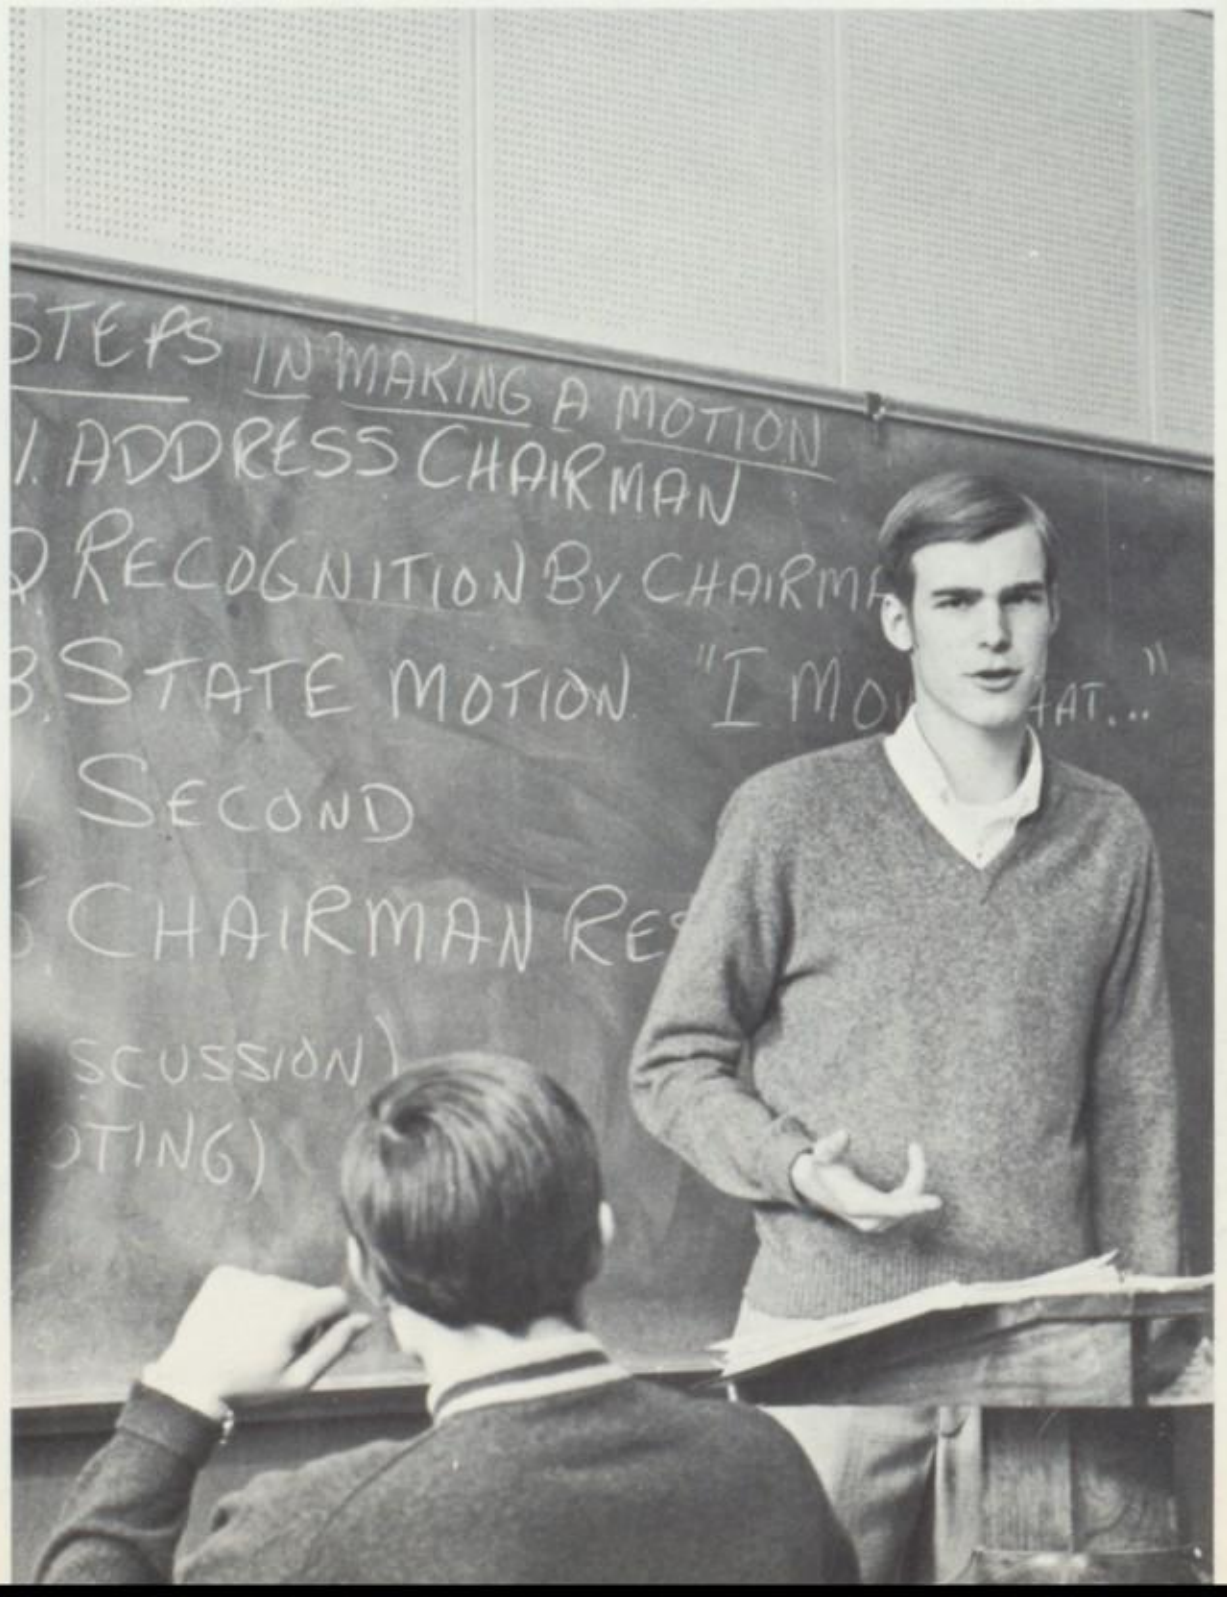
Debate Squad Excels in Speaking; Captures Many Awards



ARCADIA'S debate team again fulfilled the high school's tradition of being among the top schools in the area in Forensic competition.

At the first meet which was the Tustin Debate Invitational held in late October, Marc Coleman and Glenn Harris each won trophies. Following this on November 1st and 2nd, Robert Wilkin and Glenn Rosen took certificates of excellence.

We carried away three awards at the November 15-16 Fall Novice Sweepstakes Tournament. These included Ross Elliot who was awarded a certificate of excellence in impromptu speaking, and Tom Miller and Walter Morse who both won trophies.

Pete D'Ewart and Rick Bowen won certificates in extemporaneous speech at the Southern California Debate League Open Tournament November 24-25 at Monrovia High. The same meet featured Wendy Eubanks and Laurie Hunter, who trophied in debate.

Mr. Boyce Harris, debate instructor, has in his first year of teaching at AHS encouraged students to apply their skills to Civic speech tournaments.

Key Club

KEY CLUB is sponsored by the Kiwanis. Junior and senior boys are eligible, and are selected according to outstanding qualities in scholarship, leadership, and activities.

The Key Club helped the Kiwanis to put on a successful rummage sale, and they held the annual "Dollar for a Scholar" drive.

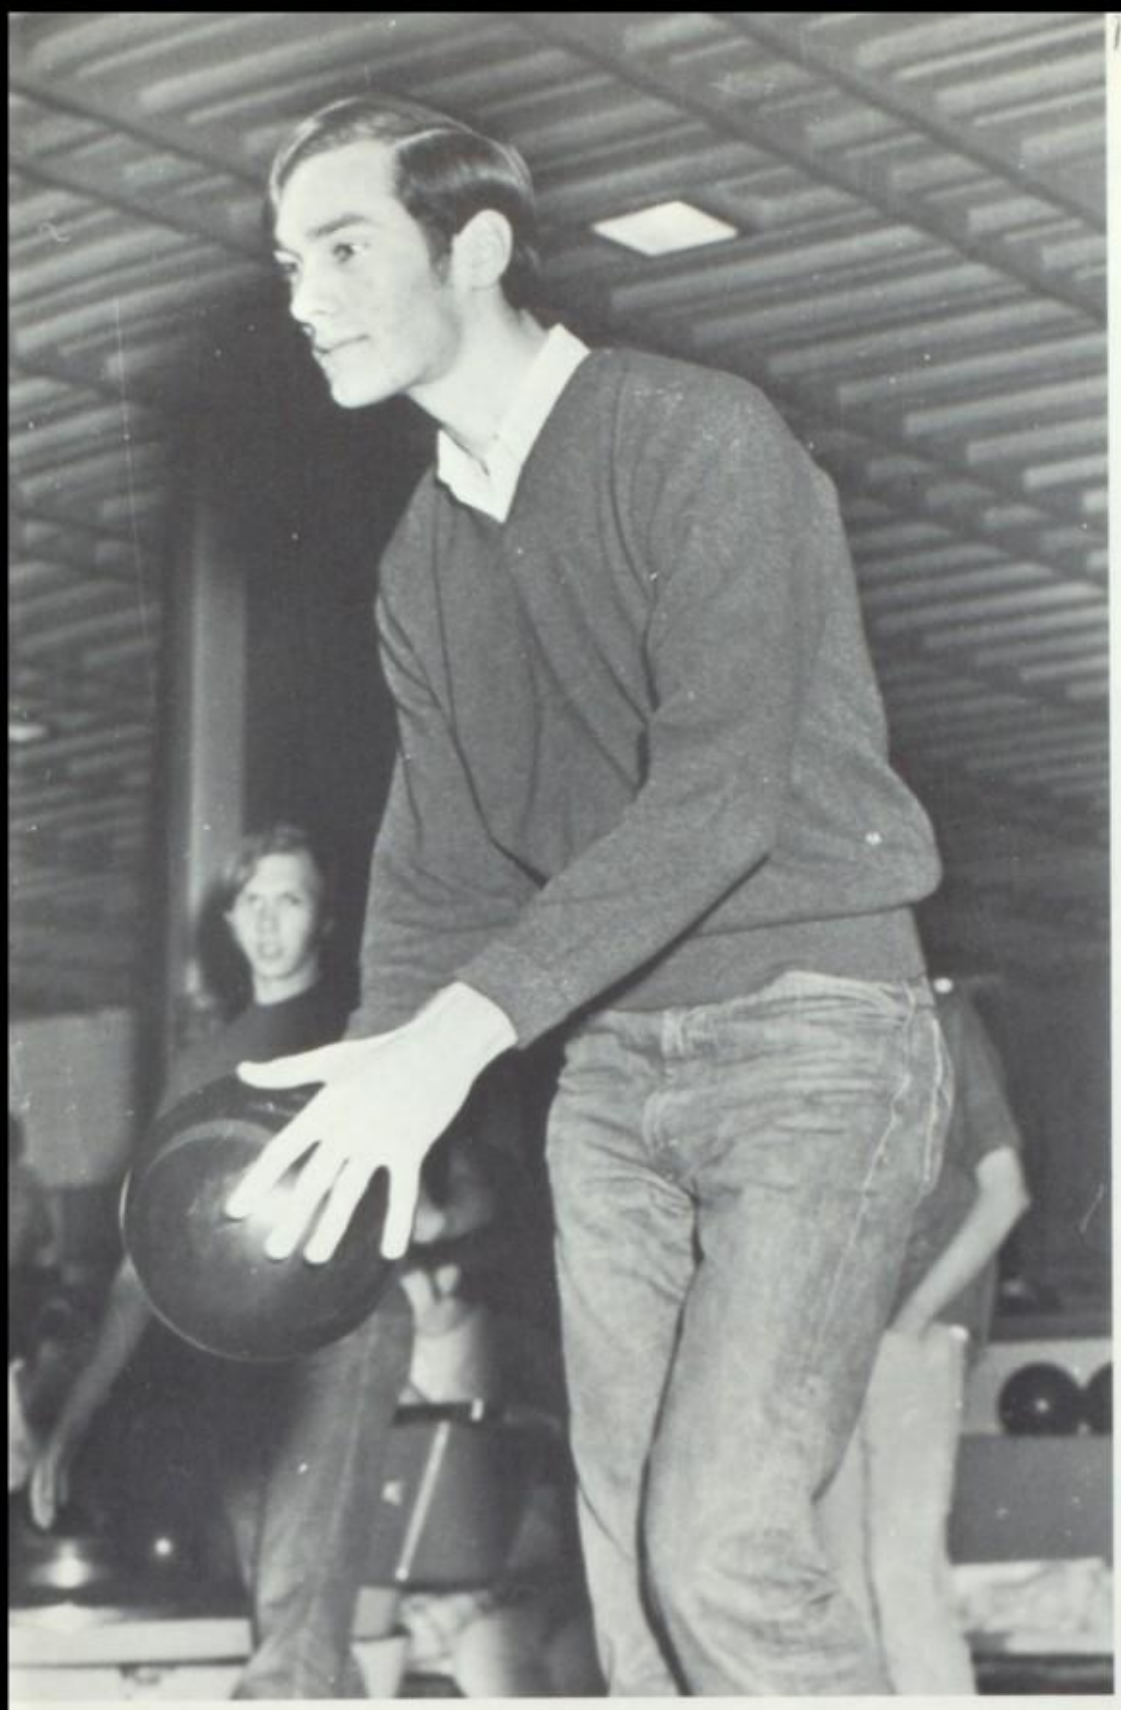
THE JUNIOR EXCHANGE Club is a men's service organization on campus that serves both the school and community in various projects throughout the school year.

Highlighting the year's events was a car rally. The contest attracted many participants.

A community project sponsored by the Junior Exchange Club was a clothing drive. Members also were responsible for the care of the American flag on campus for a semester.

They attended a state convention of all California Junior Exchange Clubs later in the year.



BOWLING CLUB members competed among themselves at regular meetings every Monday afternoon at the Bowling Square alleys. Their weekly practices, which consisted of a contest with teams of three people, prepared them for later individual matches with local groups.

The main projects of the Art Club this year were two art sales before the Christmas and spring vacations. They sold original paintings, jewelry, and crafts, such as chairs and ceramic flowers to the students at lunch.

As a service to the school, they painted safety zones before all the classroom doors to prevent collisions.

To end the year with a final gathering, the Art Club held an annual steak barbecue in May.

Natanes Members Serve School and Community Now

FUTURE TEACHERS Club is for students interested in a teaching career. The club worked with Head Start in Pasadena. Past activities include a trip to Holly Ave. School to observe teaching, and a Future Teacher Conference held at the Huntington Sheraton.

The Gun Club, newly formed group, contains approximately fifteen members. About once a month the club went to Fish Canyon for target and skeet shooting. Every two years the club will sponsor an NRA Hunter Safety course which will allow those attending to get a hunting license before the age of eighteen.

The three language clubs, French, German, and Spanish, combined in order to involve more people in their activities. At Christmas the clubs had a party and went caroling. At their sidewalk cafe at the school carnival, French pastries as well as German and Spanish desserts were served.

Making valentines for the head start program was an original project planned by Future Teachers Marsha Douglas, historian; Diane Grein, president; and Marlene Jensen, Secretary-Treas.

MAINTAINING a teacher's bulletin board and preparing exhibits in display cases, Natanes, a girls' service club, successfully fulfill their main function of stressing student-teacher communication to promote school spirit.

The club's primary purpose is to serve the school through performance of various duties upon request of the administration.

Girls are assigned different duties so that club members will get better acquainted with the school and its functions.

Completing their third year on this campus, the Natanes collected canned goods for a family in Pasadena. Also they have brightened the office with bouquets of fresh flowers.

As a further service to the school, Natanes helped Amy Brewster with all election procedures.

Honest Young Citizens Constitute Student Court, Hostesses

COMPOSED of nine justices appointed by various organizations, Student Court has the power to try any referrals involving classroom discipline. A two-thirds majority of the presiding justices may convict any student. All court rulings are subject to administration approval.

Chief Justice Marc Coleman presided over the other eight justices in their second period class.

Plans for creating Student Court were developed in the House of Representatives and finalized two years ago by a vote authorizing the Constitutional change.

TRIPS TO Mammoth were among the past activities of the Ski Club. About 38 members participated in each of the weekend trips to Mammoth. At Ski Club meetings members observed various skiing films and listened to lectures concerning the proper equipment and apparel needed for the sport.

The Water Ski Club was one of the many new clubs on campus during the year. During November, as a fund raiser, popcorn balls were sold. Activities included a trip to Carlsbad, Calif., and a trip to the Colton Ski-Way in Colton.

Arcadia's Ech-o-nee service club has been active this year. They worked at the student store, served at sports banquets and at dinners for the band, under the direction of Mrs. Margaret Gale. The girls also ushered at drama productions.

REPRESENTING Australia and Iceland on campus this year were Peter Bush and Asta Andresdottir. Peter and Asta were selected by their former schools to participate in the American Field Service program.

Both were honorary members of Executive Council, and also belonged to Kiowas and Senior Men.

American Field Service club members were active this year. They met with Temple City for a joint dinner in December, and with Monrovia AFS in April. Selling Youth Tags in May and helium balloons at the school carnival in March raised money to help bring next year's exchange students to AHS. The week of Jan. 13-17 was AFS week.

Sue Justin, a senior, and Peggy Rider, junior, have been chosen as this year's finalists in the Americans Abroad program if chosen in the final judging, which takes place in New York.

Auxiliaries Add Sparkle To Band

Head Tom Tom Carol Loudon.

REPRESENTING Arcadia in parades throughout Southern California, the Apache drill team displayed and promoted school spirit all year. Great effort was given to perfecting intricate marching routines for performance in parades as well as half times during football games.

Dressed in white uniforms with cardinal, black, and yellow motifs, they carry small drums or tomahawks decorated with feathers to enhance the Apache theme. The group of 63 junior and senior girls captured sweepstakes at the Camarillo Parade on Dec. 2.

Participating in the Santa Monica parade on Nov. 9, the Tom Toms took first place in their division. On Nov. 23, they again hosted the West Arcadia Band Review. Leading off the parade down Baldwin Avenue, Arcadia was followed by marching units from 44 Southern California schools.

Adorned in red velvet with a brilliant headress of red and white feathers, Head Tom Tom Carol Loudon led the drill team in each performance. Assisting her were Right Guide, Leslie Brown, and Left Guide, Lynn McElroy. Sponsoring the drill team for her fourth year was Miss Jane Hilgendorf.

To become a member of drill team, girls must go through an extensive screening process. Sophomore and junior girls new to the school are eligible to try out. Approximately 200 girls compete for about 35 positions each year. Judged on ability, poise, grades, rhythm, and responsibility, the competition provides an opportunity for the girls to develop marching skills.

Apache Princesses, carrying Arcadia's banner, prepare to lead the band and drill team onto the field during halftime performance at the crosstown game.

Apache Princesses for the year 1968-1969 are: Lea Balabanoff, Beth Dunford, Jill Doctors, Susie Andrews, Nancy Petersilge, Sue Miller, Linda Fryer, Ann Manning, and Gail Rysell.

PRECEDING the band in parade activities, the Apache Princesses carry the traditional arrow bearing the letters A-R-C-A-D-I-A.

After participating in Marching Band or Drill Team for a year, junior girls are eligible to try out for the nine available positions. The girls are taught routines by present Princesses to be performed before a panel of judges.

Attractively dressed in their red and gold costumes, the Apache Flag Girls add a unique touch to the band and drill team appearances. Livening up home football games, pep rallies, and assemblies, these girls twirl through intricate routines which they choreograph themselves. Popular music is provided by the Pep Band. Performing routines taught to them by former Flag Girls, numerous girls try out in the Spring before judges for this honor, though only eight girls are selected.

At the beginning of February, the final selection of sophomores was made

Arcadia Apache Marching Band, Host Of All Western Band

AFTER CAPTURING sweepstakes last year for the third consecutive time, the Apache Band was honored in this year's All Western Band Review. Held in Long Beach on Nov. 30, Arcadia participated as host, and therefore was not judged in actual competition.

The first competitive performance was in the Chaffey Parade on Oct. 26, where the Apaches, competing against 30 bands, took sweepstakes. The band was also awarded sweepstakes at the Santa Monica Parade on Nov. 9, for their excellent performance.

In order to raise funds, band members sponsored the third annual Spaghetti Dinner in January and a Pops Concert held in May.

Leading the band onto the field during halftime is Steve Cordova, this year's Drum Major.

Friday's Become Assembly Schedule Each Week For First

P.C.C. gymnasts display their skills for boys' assembly.

Returning to Arcadia for the homecoming pep assembly. Alumni join with the student body "Spanish Flea."

A WIDE VARIETY of assemblies were presented throughout the school year due to the combined efforts of Bruce Evans, Assembly Commissioner, and the Executive Council.

Included in the calendar of assemblies was the Simplicity Fashion Show where members of the Modeling Club displayed various fashions.

Folk singer, Tim Morgan also made an appearance to entertain the student body with his songs.

Because of the favorable response to last year's "Dating Game", the Girls' League sponsored one again this year. Teachers acted as contestants and winning couples received either tickets for the rock musical "Hair", or dinner at the Cocoanut Grove. Losers got free dinners at MacDonalds.

A new policy of having an assembly schedule on Fridays was enacted for the first time this year.

Occasionally, the lengthened homeroom hour on Friday was used for class discussion of school business.

Inability to Capitalize on Key Scoring Opportunities

Coach Paul Duhart, varsity football

EVEN in a campaign which saw the Apaches finish with a disappointing 1-7-1 record, head coach Paul Duhart could still find words of praise for his varsity footballers.

At the Fall Sports Award Banquet, coach Duhart expressed the opinion that the win-loss record didn't truely reflect the team's character. He felt that the squad never gave up and tried their best to the very end.

Jim Greenway was chosen the varsity's Most Valuable Player. Larry Hunt was accorded first team Pacific League honors for his fine play as linebacker on defense. Junior Bill Bingham made second squad P.L. offense at halfback.

Arcadia lost its two pre-league games to San Marino 21-0 and West Covina 6-0.

In the Pacific League opener, the Tribe tied the Aztecs of Keppel 7-7 Following this, came losses to Monrovia 14-12 and Arroyo 34-13.

Alhambra provided little opposition in the final contest of the season as they fell 25-0 to the Tribe. Touchdowns in the contest were scored by Carl Anderson, Rick Wagner, Bill Bingham, and Jim Greenway.

Arcadia's number one ranked Junior Varsity player, Rick Chalmers attempt to tackle San Gabriel's ball carrier during the Nov. 18 game.

COACHES Dave Ackerman and Vallie Robinson's perennially savage tribemen succeeded in scalping all of their opponents to finish their 1968-69 J.V. football season undefeated.

Apache J.V.'s started the season off with a sour note, having to accept a forfeit from the Titans of San Marino when they failed to produce a J.V. team. On September 27, the Arcadia team routed the West Covina Spartans 24-7.

October 3, was almost a turning point in the way the season went for the Apaches. They met the JV's from Keppel on a rain soaked Arcadia Field and in the last 4 minutes of the game, the JV's managed to score 12 points.

The rest of the games went with the Apaches undefeated. Rich Chalmers, offensive back, was chosen by the coaches and players as the "Most Valuable Player."

COACHES Leeds Lacy and Doug Smith's football squad finished the Pacific League campaign with a 6-1 slate after ending the season with victories over the Arroyo Knights and the Moors of Alhambra. This was a vast improvement over last year's disappointing record of only two wins.

The B's also beat Mark Keppel, El Monte, San Gabriel, and the cross town rival, Monrovia. The tribe ran over the Cats by a score of 25-6.

Hard and consistent running was turned in by backs, Dale Richter, a C last year, and Casey Journigan, a returning letterman from the '67 team. The offense was commanded by a trio of sophomore quarterbacks, Neil Rasmussen, Joe Sweatmon, and Mario Miranda. Also a valuable asset to the offense was tight end Tom Sprink, who went for long yardage on many passes.

C's Not as Successful

COMPLETING an unsuccessful season, the C's final record was 2-5-1. The only improvement on their previous record was a tie with West Covina. To top off a bad season, the C's were crushed in their last two games, 12-0 by both Arroyo and Alhambra. League wins for the C's came against Monrovia and El Monte. They blanked both teams, Cats 25-0 and Lions 12-0. Tailback Doug Showalter starred in those games scoring half the TD's in each match.

The left and right-handed quarterbacking of sophomores, Bob Mayhew and Tom Lockridge was the C's ace in the hole. The running game was highlighted by sophomore Doug Showalter. Against the Cats, Showalter intercepted a pass and raced 65 yards, breaking several sure tackles to score and eventually capture one of the C's two league victories.

to Rival Alhambra

CONQUERING their first six Pacific League competitors, Coach Kent Barney's leatherlung machine lost a rematch of last year's championship meet against Alhambra, 26-29.

Traveling to Moor Field, the Apaches knew that this meet was a "must." For the past two seasons against Alhambra, such has been their do-or-die contest, the Redmen have been able to pull out the victories. Top runner for Alhambra, Fred Maier had different ideas about the Moorish surge.

Although the Apaches did not finish as number one, they completed the season with a 6-1 record to place second in all Pacific League.

Varsity scored a perfect victory over the Keppel Aztecs, 15-50 as Kendig ran a spectacular two mile in 9:35. In fact the only time Kendig lost was in the Alhambra and San Gabriel meets. He set the Monrovia two mile course record of 9:58 slashing the old record by 7 seconds.

In the first round of CIF playoffs, Torrance wins the jump starting the third quarter of the game. Jumping against Doug McAdam is Bruce Baker, leading Sky League scorer. The Apache varsity fought hard but lost the battle, in front of an over capacity crowd, by a score of 66-46.

THE BASKETBALL squad of 1969 was the most exciting in the school's history. A league championship win over San Gabriel in front of over 3,000 fans, two victories over arch-rival Monrovia, a two point win over Mark Kepple after trailing by fifteen points, a 83-81 come from behind triumph over El Monte on a last second 25 footer . . . the thrills were never ending.

Doug McAdam was Pacific League Player of the Year, and Mike Larkin came in second in the voting. Both players averaged over 20 points per game: McAdam with 20.8 and Larkin with 20.3. McAdam also pulled down over 14 rebounds per contest and this was the major factor in Arcadia's winning its first league title in the history of the school.

San Gabriel's Matadors fell 53-50 in a game as McAdam scored 14 points in the crucial third quarter and 31 in all. Larkin held Larry Fernando, high scoring guard, to only nine points and his two free throws with four seconds remaining clinched the game for the tribe.

Other team members were sophomore Rick Beaston, juniors Dennis and Brad Gill, Steve Howell, Bob Stringer, Paul Wendt: and another senior, Lee Grover. Grover never stopped hustling and his 15 points in the second Monrovia contest were essential in Arcadia's 69-63 win. Paul Wendt's fine play helped Arcadia defeat the 'Cats 52-50 in first round action. Dennis Gill filled in for Wendt when Arcadia wanted to run, while Stringer and Beaston performed at guard with Larkin.

Individual Swimming Crown as Aquamen Dominate League.

RETAINING their CIF individual swimming crown was the goal of the Varsity swimmers as deadline rolled around.

Last year, Arcadia swept to the championship as they accumulated an amazing 45½ points; outdistancing Burbank by over twenty points. Six swimmers earned All-American honors last year with their fine performances: 1968 graduates Steve Moody; Jim Peterson; and Carter Loven, with this year's seniors Reid Geidt; Ross Elliot; and Charles Campbell.

Long Beach was expected to be the favorite but with some help from other schools, Arcadia was given a good chance to knock off the Bruins. Besides Campbell, one of the nation's best swimmers, Apache hopes were brightened by the fact that Geidt and Mike Carnahan turned in lifetime best marks in their events at the Moor League Invitational.

Campbell, as was expected, led the team in seven dual meet wins. This senior finished with in the United States Olympic Trials and was only 1.1 seconds behind the third place finisher who went to Mexico City. Arcadia defeated Pasadena 44-42 as Campbell anchored the 400 freestyle relay team to a come-from-behind triumph. Claremont, California, Glendale, Hoover, San Gabriel, Chaffey, and Keppel High Schools had also fallen to the Piranhas.

Despite losing the Varsity league relays title to Monrovia, all three divisions were expected to take the circuit dual meet crowns. Arcadia did not retain its CIF Relays title but did finish a very respectable fifth. With two CIF crowns last year and an almost flawless dual meet record, the Arcadia swim teams have been the most successful contingents in the school's history.

Charles Campbell, Ross Elliot, Scott Hubbard (sitting) and Kurt Woodside make up the Arcadia Apache 4x100 individual Medley relay.

Two More Pacific League Crowns With Perfect 6-0 Record

UNDER THE COACHING of Ray Petterson, the lowest division swimmers are well on their way to securing two more Pacific League crowns.

Thus far in their season, the "B" tankmen boast a perfect 6-0 record as they edged past their two toughest competitors, California and Pasadena Highs, by the narrow margin of five points.

Petterson's C Pirhannas had met with harder luck early in their season, dropping a cliffhanger to Glendale Hoover, but they still possessed a fine 5-1 record. Leading the B and C individual swimmers are Marc Coleman, Mark Sundberg, and Greg Monroe, turning in fine performances with every meet.

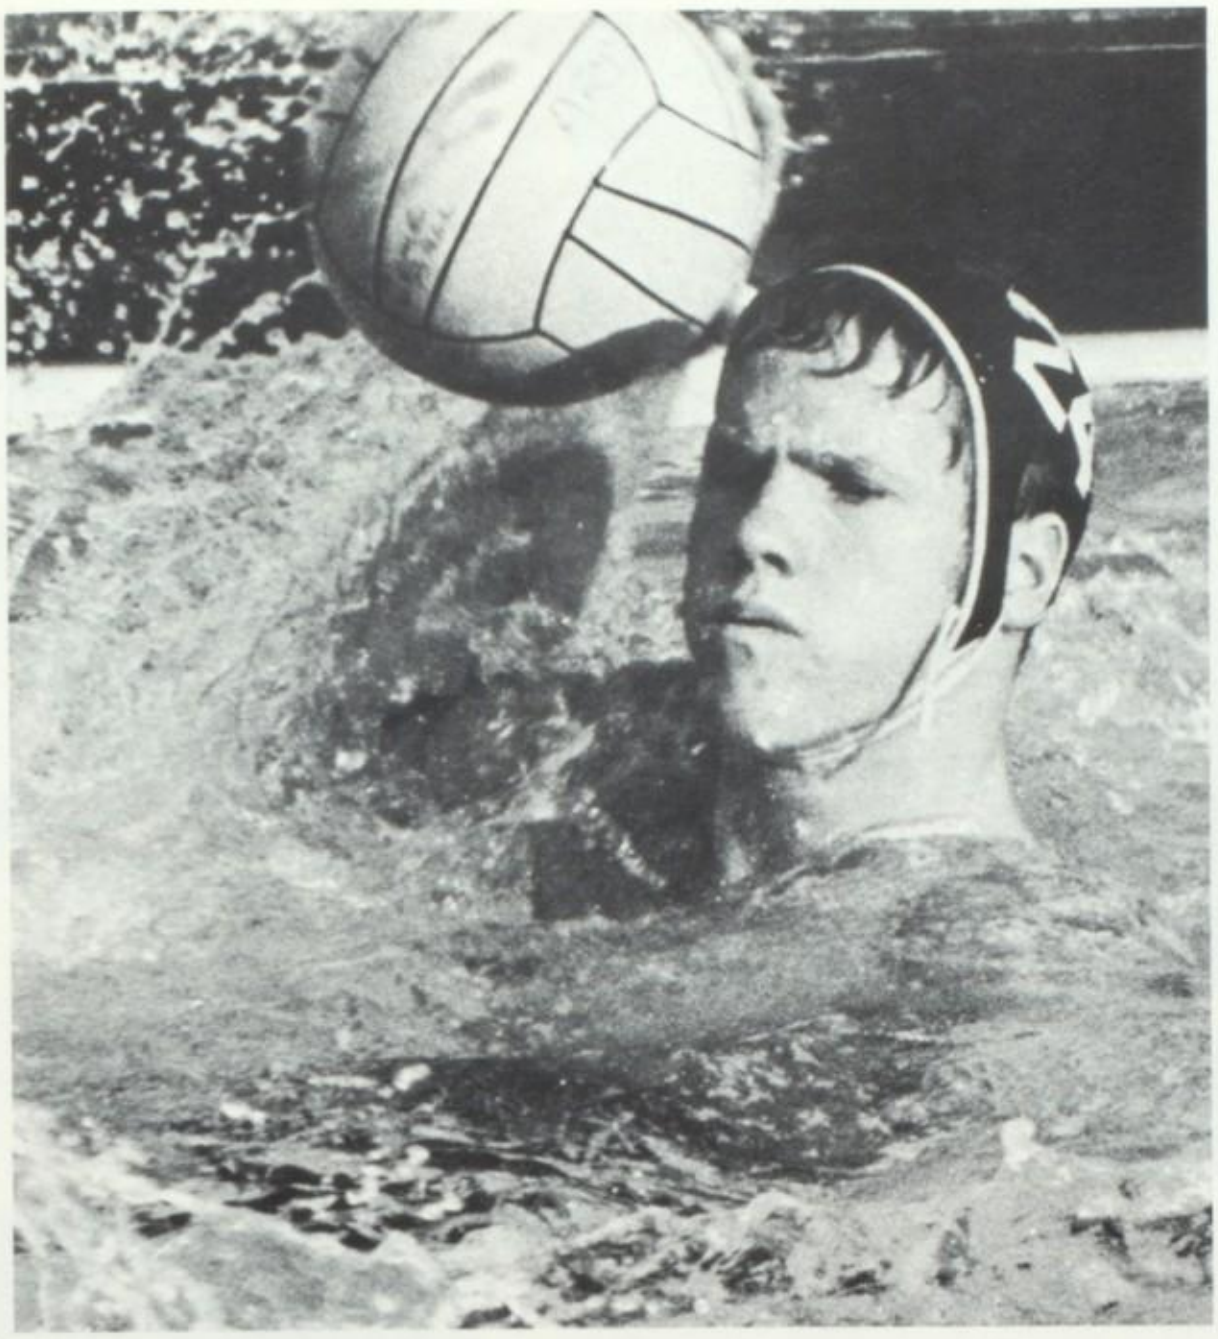
Campbell Leads Polomen to 7-2 Record, Second Place



Displaying excellent passing ability, co-captain Charles Campbell attempts a goal.

UNDER the iron hand of Coach Doug E. Wilks, the Arcadia varsity polomen climaxed their season with an impressive 11-7 victory over cross town Monrovia. This contest was almost singly won through the supreme efforts of co-captain Charles Campbell who flipped six individual goals.

In keeping the previous year's record, the Apaches earned second place in League competition tying with Los Altos and Monrovia. The tankmen boasted an overall 7-2 win-loss record.

Co-captain Ross Elliot was awarded a position on the First Team in League play, and was also selected as Arcadia's Most Valuable Varsity Player by Coach Wilks. Charles Campbell and Rick Ganzer were given Honorable Mentions by the League's coaches.

B polomen were led by Mike Carnahan and Greg Monroee to an excellent season. Senior Mike Carnahan was presented with the B Most Valuable Player Award; last year he was given the C trophy for Most Valuable Player.

THIS WAS THE first time in Arcadia's brief mat history that as many as three mat wrestlers went beyond the league finals. Scott King, Travis Jack, and Bob Burkhammer went to the CIF Sectionals.

King took the Pacific League's 136 lb. title with a 22-1 title, the best ever for a Tribe grappler. Travis Jack was 21-4 while Burkhammer won 15 while losing only six.

Arcadia's varsity finished fourth in the league. Highlights came against Monrovia, which absorbed a 41-16 shellacking from the Redmen.

JV squad also finished 4-3 and they defeated the 'Cats 44-5.

Varsity Pitching Staff Leads Tribe to 4-0 Rampage

Keith Hamby, one of the leading Varsity pitchers, delivers a perfect strike to a Montebello player. He was later relieved by Mike Larkin who won 5-4.

PITCHING IS 90% of the game, and certainly Arcadia's Varsity baseball squad was loaded with fine pitchers. Mike Larkin, Steve Cordova and Keith Hamby led the team in the early going, but Don Jones and Jim Pohst were quite capable back-up men.

Arcadia was 6-1 overall, 2-0 in the Pacific League at press deadline and the Tribe had already shown that they would probably capture the league title. The Tribe defeated Alhambra 1-0 on Steve Cordova's two-hitter, and Keppel 7-2 as Keith Hamby picked up the win. Larry Hunt tripled and scored on Carl Anderson's single in the contest against the Moors.

Tribe's pitching corps was allowing less than one run per game, led by Mike Larkin's no-hitter against Azusa; however, the offense was producing only about three tallies per contest. Most of the players felt that once the hitting came up to the level of the pitching, Arcadia would have a good shot at winning the CIF championship. Expected to come up with key hits were Larry Hunt, Bill Bingham, Jim Greenway, John Henderson, Carl Anderson and Lee Grover.

John Henderson, Apache Varsity center fielder, takes a good swing at a strike delivered by a Montebello pitcher.

Towards League Championship

VARSITY TRACKMEN were heading towards a league championship meet with Alhambra, as the Tribe had compiled a 3-0 league slate.

They defeated Keppel 81-37, Rosemead 79-39, and Arroyo 65-53. The Moors were also undefeated and were scheduled to face the Apaches in the last meet of the year on Arcadia's track.

Many of the Varsity trackmen were actually B's or C's but good enough to compete above their classification. Brad Kendig, a C, was winning the Varsity two mile consistently as was Steve Carnahan in the 880. Carnahan was given an excellent chance to break the school 440 record and he was also shooting for the half-mile mark. Jim Ferguson also helped the Tribe in the middle distances as he ran the mile.

John Foy was the leading sprinter but he had not gotten down to his best marks of last year. In the field events, Dick Considine and Glenn Gaulton held down the pole vault, Jerry Frempter was going over 6' in the high jump and Bob Diehl was expected to lead the long jumpers after he got over his knee injury. Warren Winter was the team's leading hurdler.

BOASTING a 3-0 record at presstime, both B and C track teams still await formidable foes in League competition.

The B thinclads massacred Mark Keppel in their first meet, 89-6, with Pete LeVay capturing the sprints while Dick Considine and Glen Gouldon dominated the pole vault. Bruce Heidick, Mark Prigge, Chris Mett and a host of sophomores led the C squad to an equally impressive victory of 64-22.

A repeat performance was witnessed at Rosemead (80-15) where Chuck Ring and Jerry Cooper strengthened B field competition. The Cs earned their seasons best record, 17-15, when Bruce Heidick ran a 10:4 hundred and Keith Berquist took firsts in the long jump and high jump.

Arroyo proved no different for either team. The Bs knocked off their competition (76-19) with Larry Watkins running the 1320 in 3:24:4. Dennis Miller furthered the C win (69-17) by collecting his third first in the shot put.

Racing for the finish, Apache hurdler Tom Lockridge leaps the hurdle for the C Team.

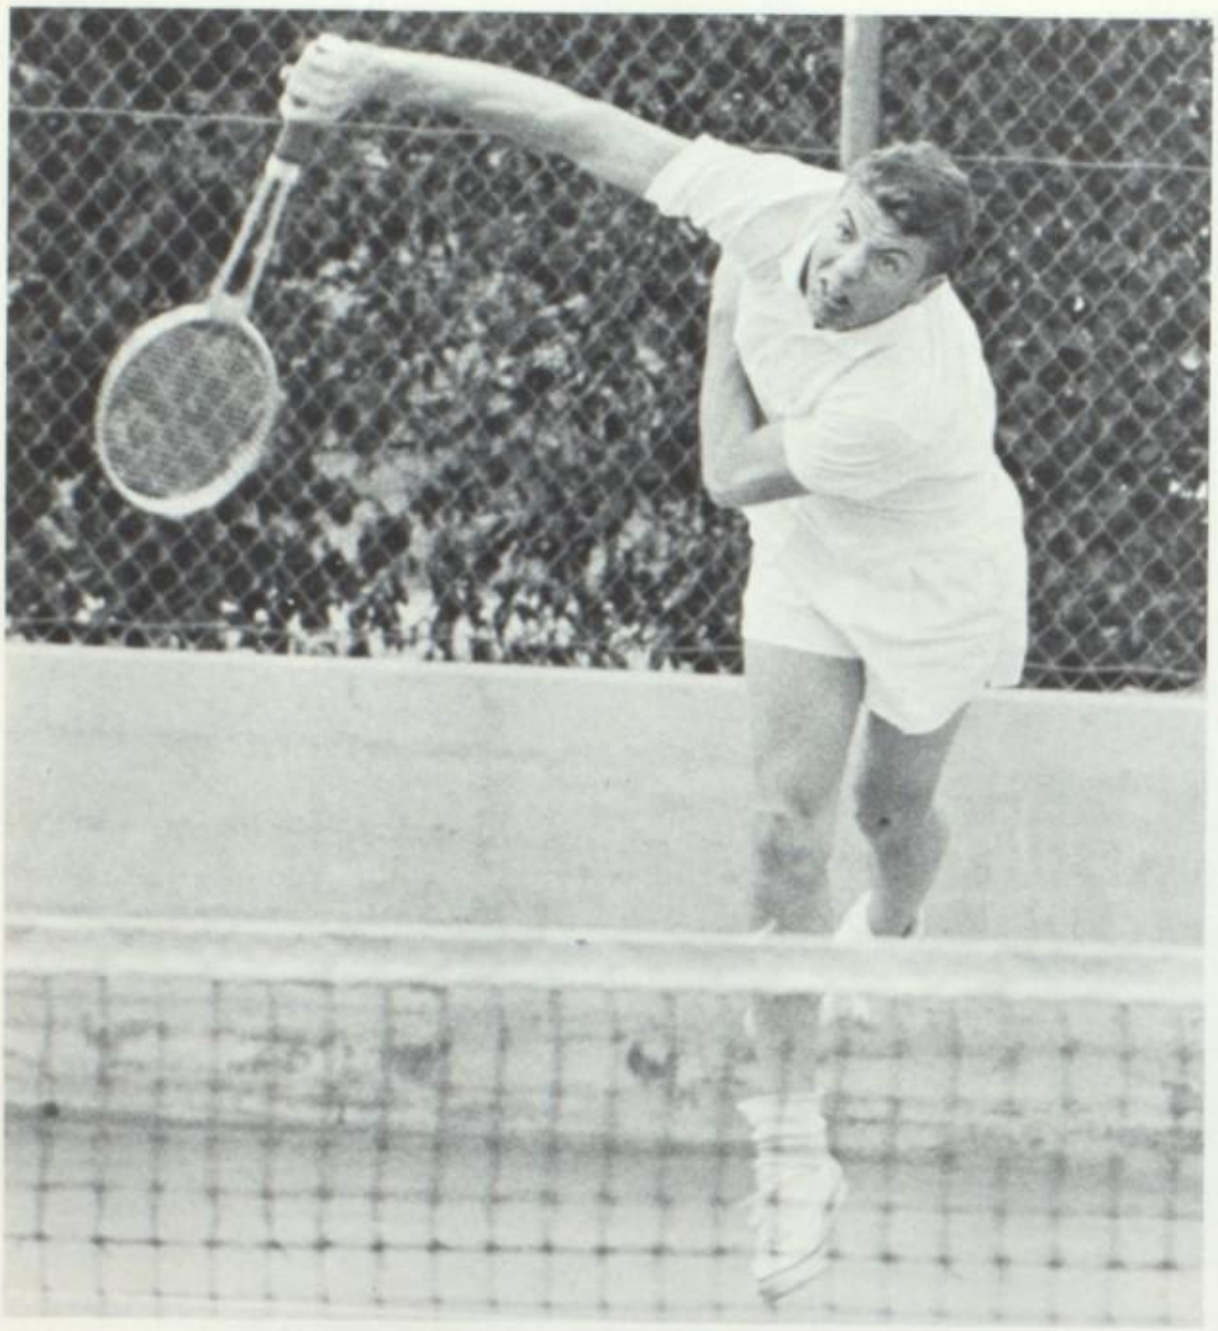
Several Ambitious and Experienced Players Lead



During his doubles set early in the season, number one rated returning Varsity player Russ Greiner strains to perfect the delivery of his service before the Pasadena match.

COMING OFF of a 22-4 record last season, the Varsity tennis team boasted an undefeated season at presstime. With four returning lettermen, the team is favored to sweep Pacific League Honors.

Coach Dick Leach expressed his high hopes for this year's team. "It is the best team at Arcadia in the five years I've been here. There is a definite chance that we will go to C.I.F. playoffs and do very well."

Although discouraged by numerous rainouts, the Apaches opened the season with a triumph over Pasadena 6 to 1. The net squad continued their rampage as Glendale Hoover was upended 7 to 0, and West Covina fell 30½ to 1½. Montebello was next on the list and offered little resistance, succumbing 21¼ to 6¾.

Arcadia entered the showdown with San Marino, whom they had never defeated without any losses. The racqueteers were hard pressed in the victory over the Titans, 6 to 3.

The racquetmen's usual starting lineup was Russ Greiner and Eric Baltruch, first doubles team, and Ross Hollowell and Scott Smith, second doubles team. Richard Cross, Tom Ritter, Bob Frohlich and Dave Ritter constituted the first four singles.

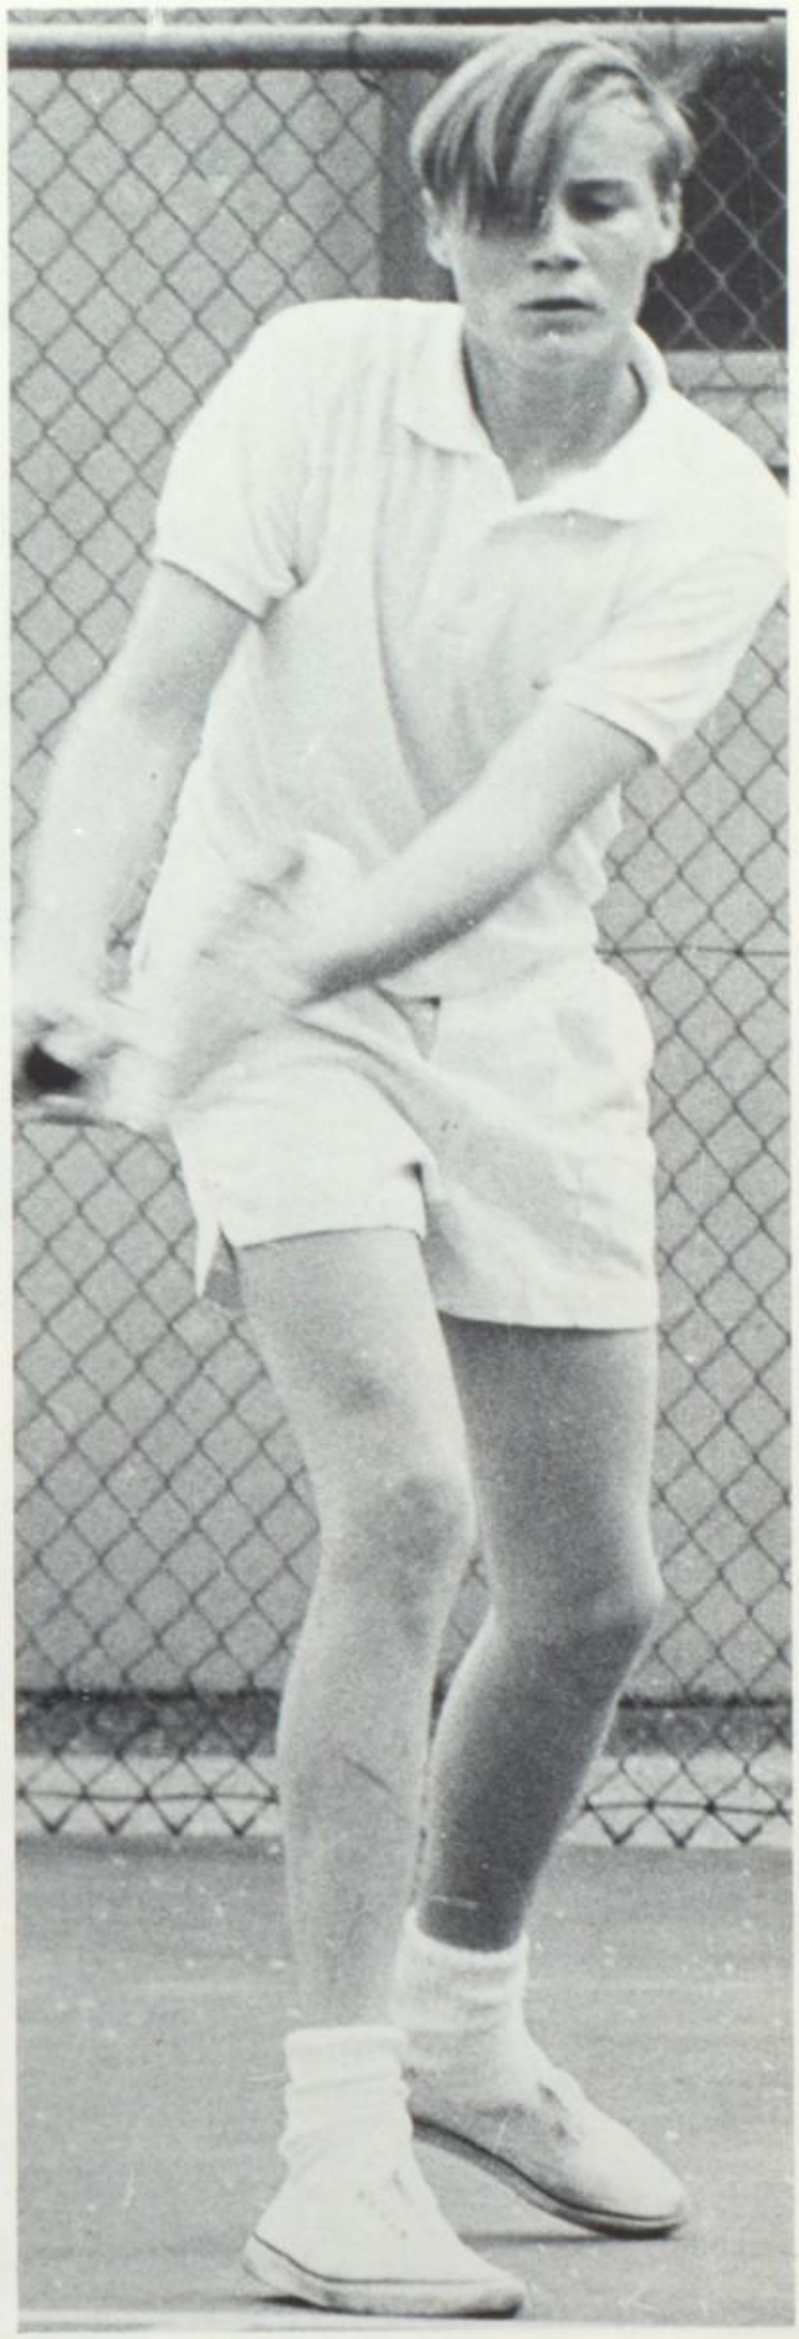
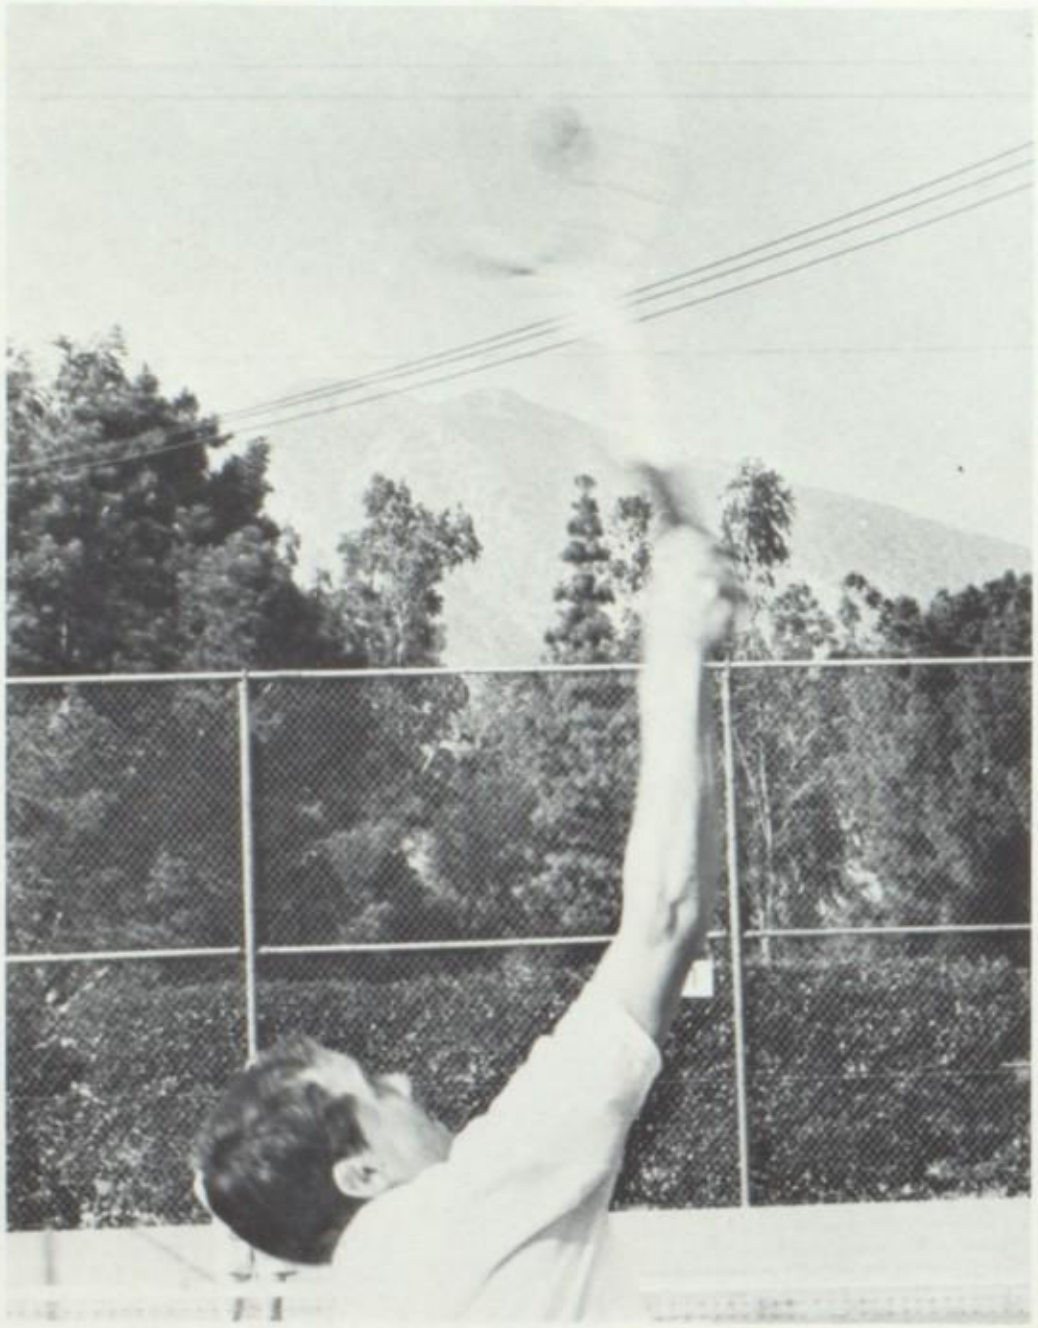
Russ Greiner, another leading varsity player, sends back his opponents ball with a strong forehand in a match which he won against the San Marino Titans.



Scott Smith returns a powerful backhand to his opponent during a match against Montebello.

JV Tennis Just Into Season; No Losses



Marc Sola returns a hard smash to opponent in the match with Pasadena.

UNDER THE LEADERSHIP of Coach Chris Appel, the JV Tennis Team had jumped to an undefeated season at presstime.

The tennis progarm established by Varsity coach Dick Leach has payed off, as the JV's match play this season confirmed the expectations of their first year coach Chris Appel.

Attempting to outdo last year's Pacific League co-championship team, the racquetmen began the season with a win over Pasadena, 5-2. West Covina offered slight competition as they fell 24-8.

In the final match before presstime, the net squad challenged the perennially tough rivals, San Marino. The Titans fell to the Apaches for the second consecutive year by a score of 8-1.

The racqueteers supported the usual line-up of Jeff Garton, first singles; Bruce Norman, second singles; Bob Smouse, third singles and Ed Simonich, fourth singles. The first doubles duo was Jeff Sward and Marc Sola, while Clark Berdanand and Jim Tusa combined talents as the second doubles team.

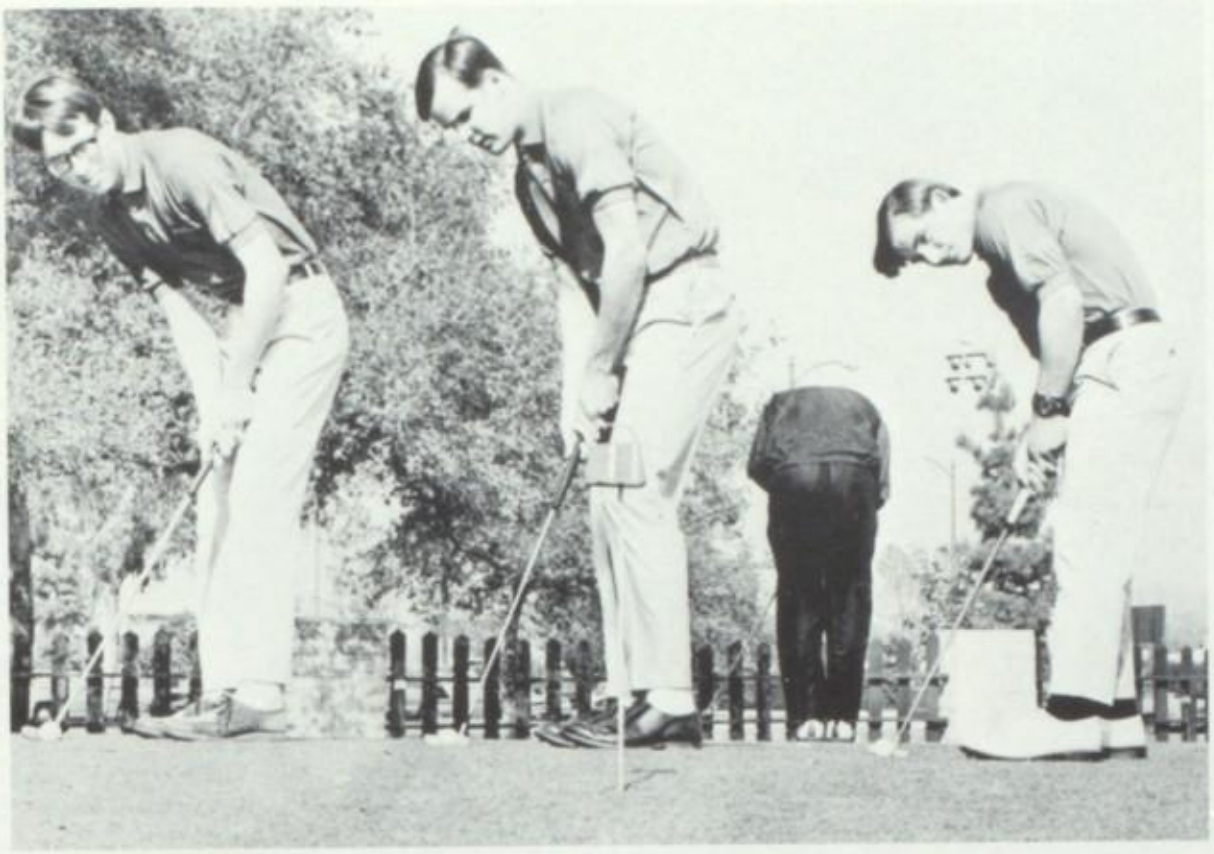
Golfers Undefeated in Pre-League Competition



Randy Slemmons, Bob Brown, and Doug Showalter practice putting at Santa Anita.

AS THE SPRING sports calendar unfolded, Arcadia High golfers began their annual run at the Pacific League top spot. Coach Leeds Lacy, in his third year at Arcadia, feels that his team has the youth and the potential to keep Arcadia golf prospects bright this year and in the future. Consistency, that most prized attribute in sports, has so far, however, eluded the Apaches. The Varsity team has a 3-0 record in the pre-press-time competition, and showed its true potential with a 24-6 win over Azusa.

Competing against Azusa were Larry Fritz, Steve Jones, Bob Pelto, Doug Showalter, and Mark MacIntosh. The J.V.'s also sport a perfect record, 4-0.

Improving his swing is Doug Showalter.

Chris Harriman, Chris Crum, and other Orchesis members warm-up by doing daily exercises.

THROUGHOUT their three years, all girls are required to participate in physical education. In regular P.E. classes instruction is given in sports ranging from tennis, track, basketball, volleyball, softball, trampoline and floor exercises, speedball, and sometimes golf, archery, and football.

Besides these sports, sophomores are required to complete a quarter of swimming and a quarter of modern dance.

The TomTom Drill Team, Apache Princesses, songleaders, cheerleaders, flag girls, and Orchesis members are combined into third period.

Sixth period is an advanced sports program. By recommendation of their previous physical education teachers, students are admitted into competitive swimming, tennis, badminton, or team sports such as volleyball, basketball, and softball. Tryouts are held for each team. The teams compete with other high schools in the surrounding area.

Out Effort And Extremely Good Playing Ability

Around the trampoline, spotters are carefully watching to prevent accidents as Lynn Van Buskirk, at the peak of her bounce, begins to form into a "seat drop."

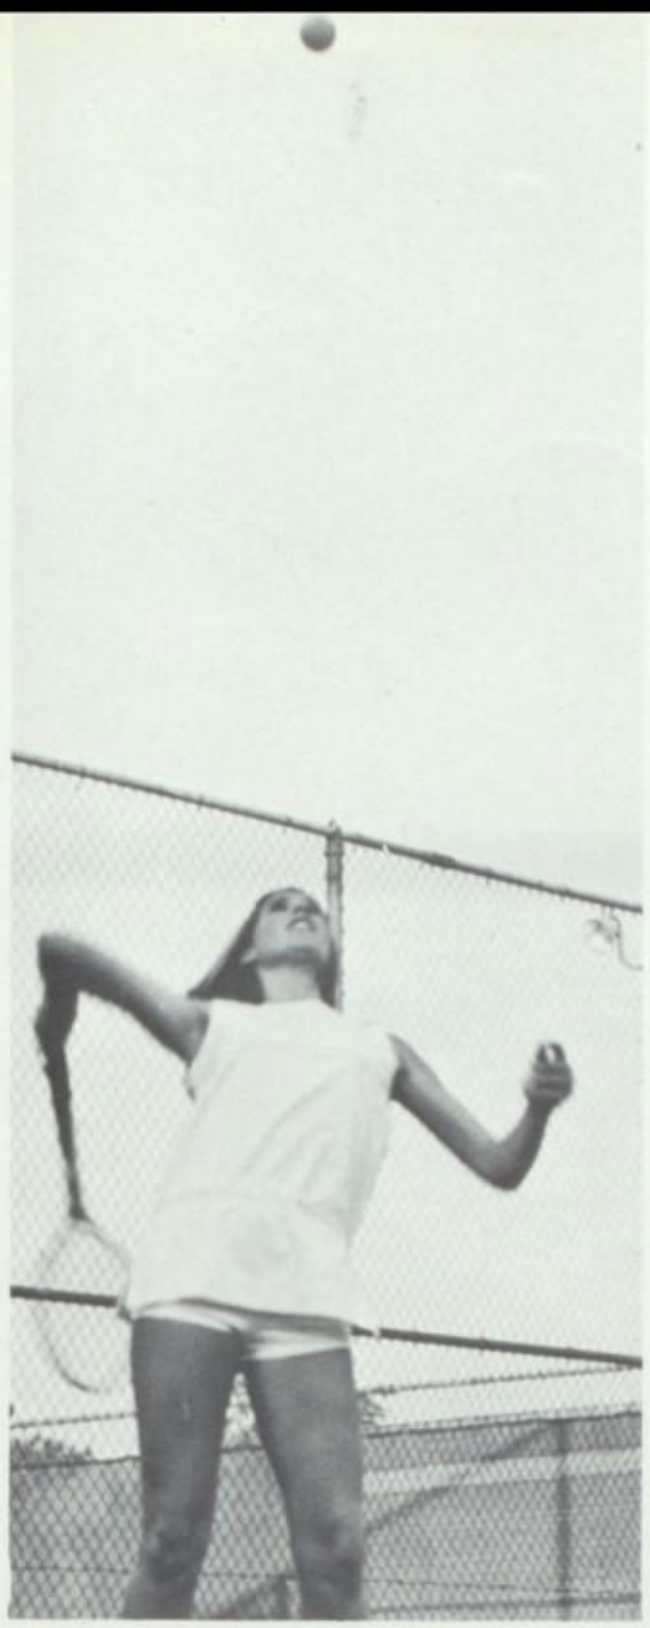
A fast pitch is thrown over the plate and Barbara Hinshaw swings at it hoping for a home run. Miss Galt is acting as umpire, standing behind the catcher.

Girl's P. E. Strives To Develope Poise And Coordination

As she tries for a touchdown, Becky Rife is tagged by Beth O'Toole, while Sharon Pirolo runs up to assist in an enthusiastic game of football.

To improve physical fitness, exercises are a daily part of activities in physical education classes.



Phyllis Cook serves with an overhand swing.

Loretta Wiltse practices golf skills by driving balls on the girl's field.

Science Medallion

EACH YEAR, the title of Homemaker of the Year is awarded to the senior girl scoring highest on an examination sponsored by General Mills.

THE SCIENCE MEDALLION is awarded to an outstanding science student by the faculty of the high school science department.

THE D.A.R. Good Citizen Award is presented on the basis of dependability, responsibility, leadership, patriotism, truthfulness and courtesy.

THIS YEAR an Arcadia student was chosen on the basis of musical ability to travel with the American Youth Symphony to Europe for the summer. The Symphony will perform many concerts in major cities.

California State Scholarship Semi-Finalists are, **Front Row;** Leslie Mark, Cathy Collins, Sharon Jaenecke, Diane Grein, Chris Vail, Wanda Ramser, Karen Walker, Debbie Hinshaw, Pamela Iverson, Genae Hall, Kathy Pounds, Sue Ulmer, Pam Ferguson, **Row 2;** Rochelle Luman, Nancy Petersilge, Margaret Briggs, Susan Pochter, Sue Grode, Kathy Harris, Jill Cooper, Mary Noble, Kent Wilson, Patrice Carter, Holly Johnson, Eunice Swedenburg, Sue Goldfarb, Carol Stewart, Cyndi Barton, **Row 3;** Janet Auerbach, Mark Van Stone, Joel Ivers, John Halliburton, Dave Dever, Gene Clark, Gary Kovacic, Ken Montpas, Rick Stert, Mike La Belle, Bill Yoder, **Row 4;** Tim Saasta, Scott Hatch, Russ Childrey, Peter Corrigan, Tom Bellows, John Feichtmann, Scott Curry, Ken Thompson, Bob Stert, Bill Nies, Phil Duecker.

Test Scores Aid in Determining Scholarship Winners.

NATIONAL MERIT Scholarship scores received on tests taken in February of the junior year are the basis for selection of National Merit Scholarship winners.

Students receiving this award are eligible to receive scholarships suited to their individual needs from business corporations, foundations, and the National Merit Corporation.

Those students selected as semi-finalists then take the December National Merit Scholarship Test in their senior year. Students selected this year are Dave Dever, Margaret Briggs, Mark Van Stone, Pamela Iverson, and Bill Yoder.

Final consideration includes evaluation of the candidates' high school grades, creative accomplishments, leadership qualities and extra-curricular activities.

National Merit Semi-Finalists are: Dave Dever, Margaret Briggs, Mark Van Stone, Pamela Iverson, Bill Yoder.

Students receiving Letters of Commendation are: Chip Bryant, Janet Auerbach, Rick Stert, Leslie Mark, Paul Roudebush, Sharon Jaenecke, Richard Cross, Norma Cassat, Scott Hatch.

Senior Anne Bartz proudly displays her sketch and water color which was awarded first place in the Hallmark Art Contest.

OUTSTANDING ART STUDENTS from the high school entered many contests this year.

In addition to a Crime and Safety contest sponsored by the Exchange Club, there was the Automobile Club contest and the Smoking and Drinking Poster Contest.

The art classes also held an art sale where jewelry, posters, pictures, flowers and other items made by the students were offered for sale. The sale was held before Christmas for three days.

The newly elected Art Commissioner, Sue Justin arranged for an Arts Festival to be held in West Arcadia.

It has been a very successful year for the Art Club.

Marilyn Massier
Musician of the Year

FOR RECOGNITION of outstanding musicians, the high school music faculty annually names a "Musician of the Year" from nominees who were "Musician of the Month".

EACH YEAR a senior girl is awarded the Panhellenic Scholarship by the Pasadena Chapter of the National Panhellenic Association. The funds are raised through philanthropic projects.

THE BUSINESS EDUCATION MEDALLION is awarded to a business student by the Business Department and the principal. The Medallion is presented at a dinner on March 26.

PRESENTATION of the California Savings and Loan Association Scholarship is made at the honors convocation held in June. The grant is given locally by the Glendale Federal Savings and Loan Association.

Noteworthy Characteristics of Honored Students.

GRADUATING SENIORS who have made outstanding achievements in many areas of academic endeavor receive recognition through the Bank of America awards program. They are presented in the general field of vocational arts, liberal arts, fine arts, and science and mathematics.

Excellence in specialized areas is recognized by the presentation of Bank of America certificates to qualified seniors. These are awarded in the fields of music, drama, home economics, foreign languages, mathematics, art, English, laboratory science, business and scoial science.

Four students compete in oral exams for the area selection of 28 first place winners and then they divide $9,400 in cash awards.

Bank of America Plaque Winners are Richard Cross, Liberal arts; Scott Curry, Fine arts; Charles Scott, Science and Math; Charles Bryant, Vocational arts.

Bank of America certificate winners are Holly Johnson, Janet Auerbach, Diane Grien, Karen Walker, Jim Greenway, Roy Poole, Robert Stert, Scott Hatch, **not pictured,** Norma Cassat, Virginia Ehrlich, Nancy Petersilge.

Seniors Earn Scholarship Federation Recognition

Governor's Scholars are Charles Bryant, Charles Scott, Leslie Mark, Jim Hardy, Margaret Briggs, Richard Cross. **Not pictured** Holly Johnson, Nancy Petersilge, Janet Auerbach.

FOR THE SECOND YEAR, the California Governor's Scholarship was awarded to students with at most one "B" for each of five semesters. Students must maintain not only a high scholastic record, but also have good citizenship marks.

QUALIFICATION FOR membership in the California Scholarship Federation was revised this year. As it stands now, subjects are divided into three lists. An "A" is worth 3 points and a "B" is worth 1 point in any class that is worth 5 semester credits (excluding study hall and P.E.). At least seven of the required ten points must come from either of the first two lists. Membership is based on semester grades.

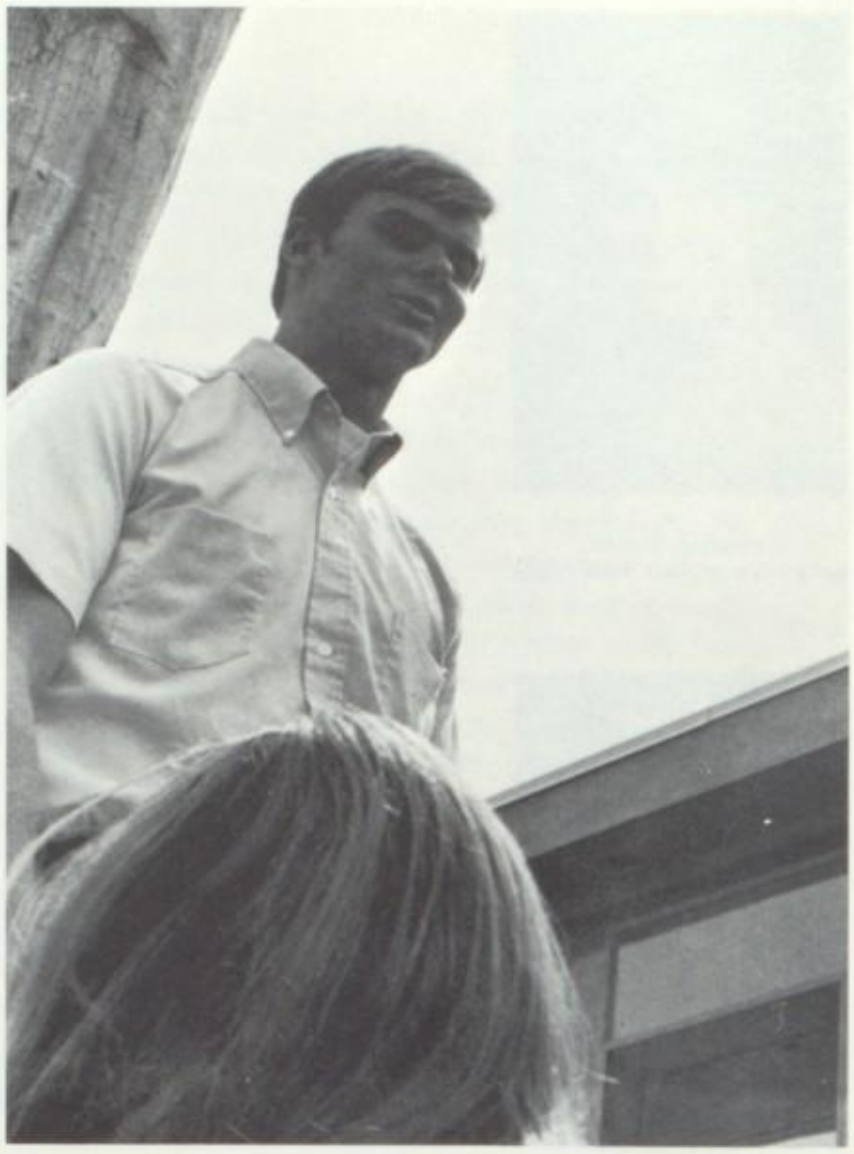
Honors Convocation Held June Highlights Year of

UNDER THE DIRECTION of Boyce Harris, the speech class and debate team have brought many honors to Arcadia High School this year.

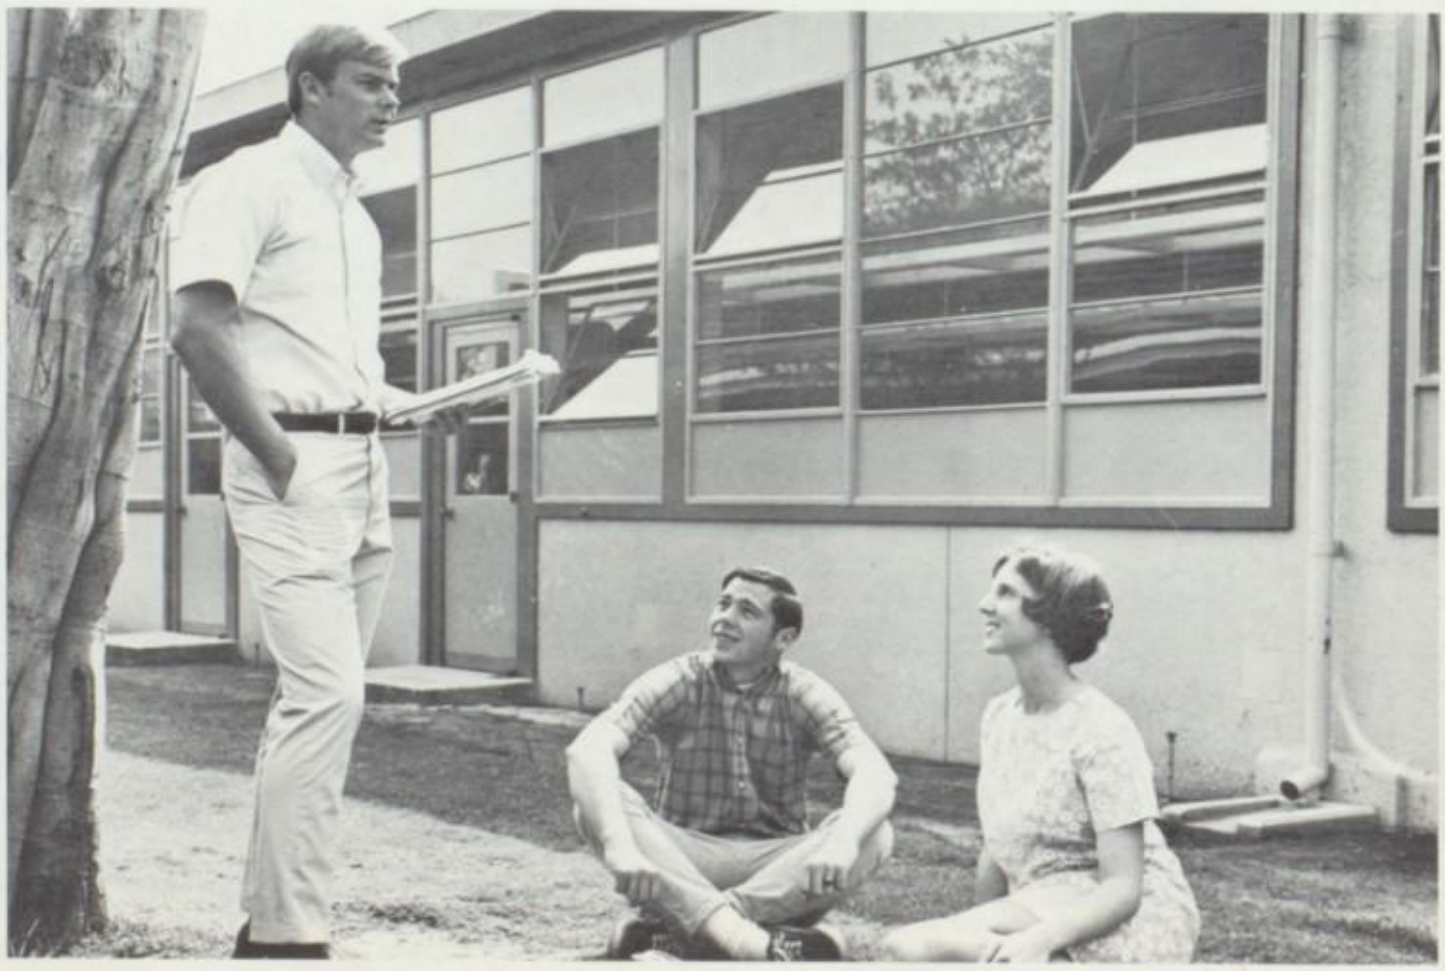
Outstanding students were Ross Elliot, Suzie Ulmer, Ken Thompson, and Marc Coleman among others.

Among the contests entered were the National Voice of Democracy Contest, which is open to all tenth, eleventh, and twelfth graders; this year the theme was "Freedom's Challenge", the Original Oratory Contest at Excelsior High, and a meet held at Whittier College on Feb. 1.

The Arcadia Debate team placed second in a field of 25 schools at the Paramount Student Congress. The tournament was held in Jan. at Alondra Junior High. The students also took part in the tournament at Norwalk. Carrying the honors were seniors Harriet Speer, Glenn Rosen, and Suzie Ulmer.



During snack, Ross Elliot rehearses the speech that made him a semi-finalist in a recent speech competition.



Ross Elliot was selected as first place winner from Arcadia in the National Voice of Democracy Contest. Second place went to Suzie Ulmer and third to Ken Thompson.

Outstanding Accomplishments In Many Fields of Endeavor.

THREE ARCADIA Seniors earned positions in the All California High School Honor Symphony Orchestra. These students were Marilyn Massier, Dick Rondeau, and Scott Curry.

Marilyn has been a member of the high school band and orchestra for three years. She has also performed for numerous bands, ensembles, and honorary orchestras on the flute. In addition to being chosen Musician of the Year, she is a member of the American Youth Symphony.

Dick is a master of the French Horn. For two years he was a member of the All Southern California Honor High School Band.

Scott has belonged to the All Southern California Honor Band and Orchestra, and the All California Symphony. He is a member of the Key Club and Senior Mens Club and serves as Speaker of the House.

Holding honor position for the High School Symphony Orchestra is Marilyn Massier. **Not pictured** Scott Curry and Dick Rondeau.

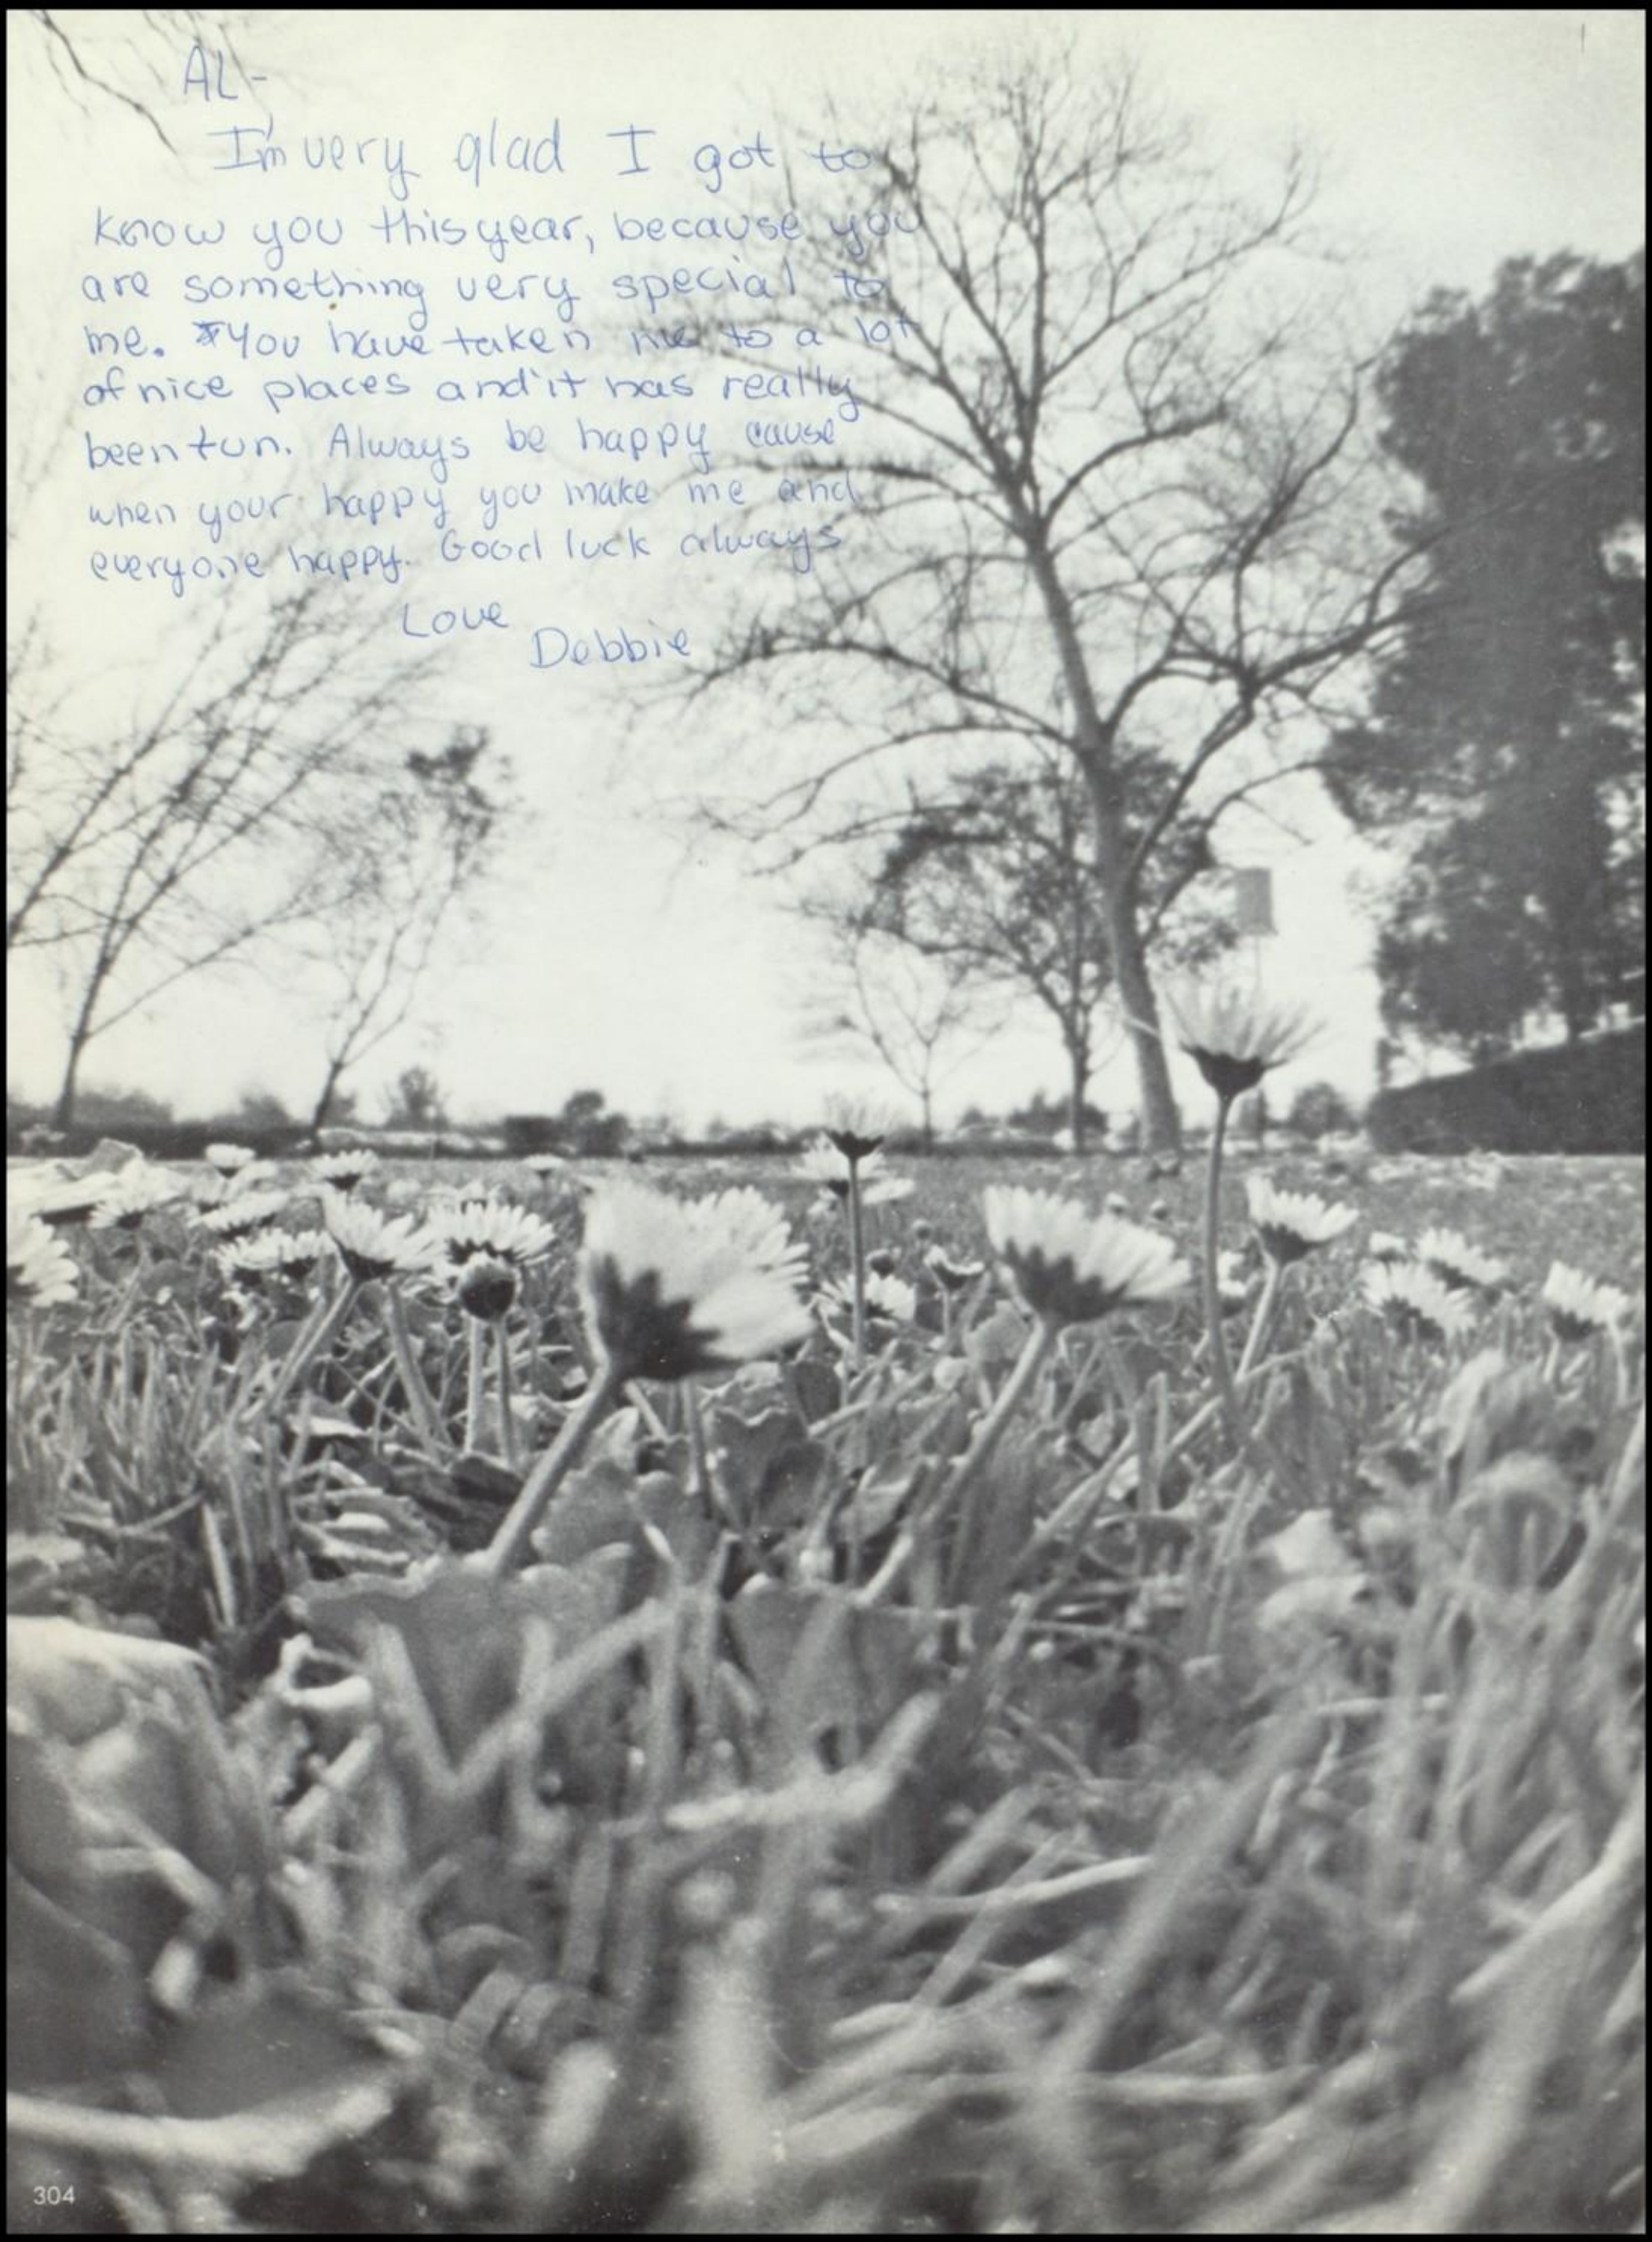
AL-

I'm very glad I got to know you this year, because you are something very special to me. *You have taken me to a lot of nice places and it has really been fun. Always be happy cause when your happy you make me and everyone happy. Good luck always

Love
Debbie



Alan,

I'm going to miss ya next year, except I wont miss you pulling out my hair. You have a real good hand and I hope it goes real far. Your a kitchen guy Alan and its been great knowing ya. We've waited a long time for graduation the only thing I'll miss is all my friends. Be good Alan and keys out of trouble.

Good Luck and Happy memories

Love Ya

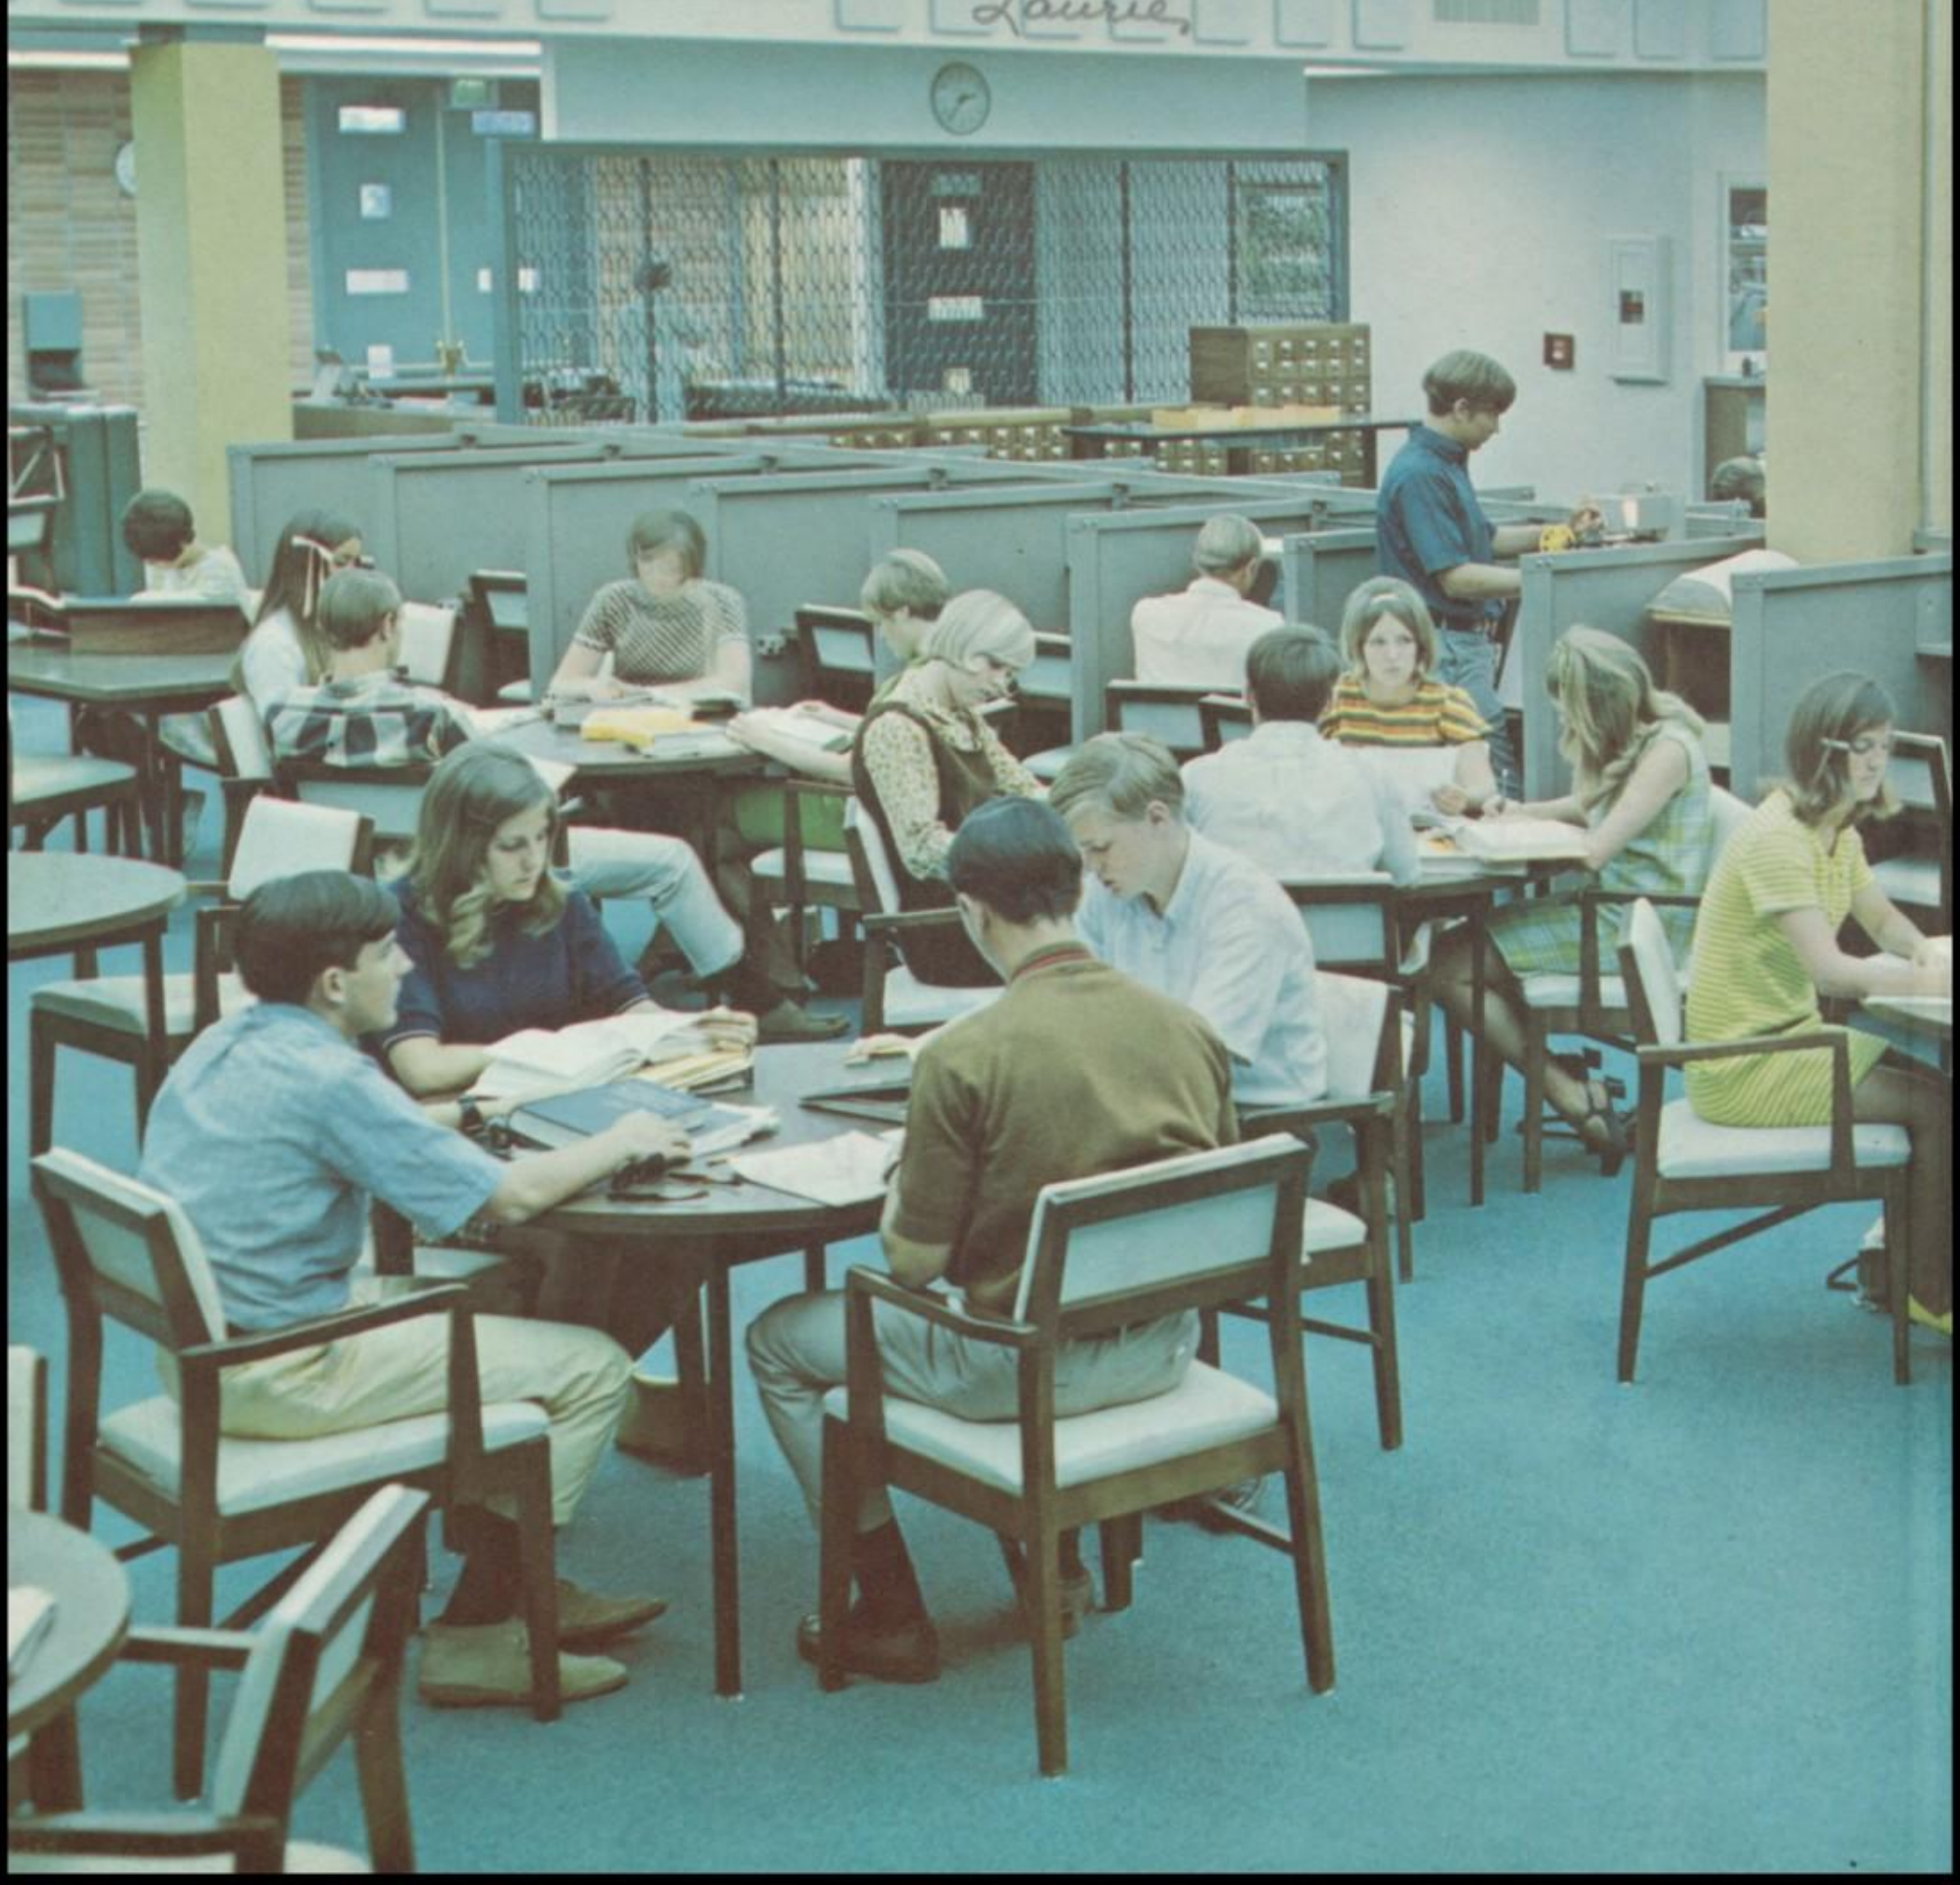
Cheryl Cwiertnia

Dear Al,
I'm so glad (as the song says)
that I got to know you. You'll
always be my favorite lead
player! I hope will always be
good friends. I can't say it was fun
going to school with ya this year like
everybody else, but I will be next
year! Of course we'll see each other
alot over the summer at all the parties.
Keep smiling like you always do.

Love,
Bettilou

Alan my boy,

Well howdy there son! This year has been indescribably delicious since you and your wonderful people came into my life... you are a very wonderful person also Alan & mean that with the utmost sincerity. Your warm personality and sincerity are both qualities that I admire in a person! Since I've met all of you I've had more fun ever than in my previous year & 1/2 of high school. Welp: Alan, I reckon it's about time to sign off... I don't want to get too carried away ——— LOOK OUT! ——— We'll be seein' you all quite a bit in the near & far future too! Right! Alan take care of yourself, and the future will take you far!

Love always from a friend,


Laurie,
